WisDOT encourages focus on safety with construction, summer travel underway; ‘Know before you go’ with 511 Wisconsin

The Wisconsin Department of Transportation (WisDOT) advises motorists to pack some patience on Wisconsin roads and avoid distractions during the summer. Motorists are encouraged to use the state's free traveler information resource – 511 Wisconsin, 511wi.gov – to “know before you go” with access to travel speeds, live traffic cameras and locations of roadwork. Be courteous to other travelers, follow posted speed limits, and watch the road ahead,” WisDOT Secretary Kristina Boardman said. “Despite the hustle and bustle of everyday life, we need to remind ourselves, family, and friends to slow down and practice safe driving habits – especially in work zones. Crews work day and night to improve the roads and bridges we rely on and as drivers, we have a duty to protect them. It takes all of us to keep our roads safe – so please buckle up and put your phone down.” Most road construction will pause over the holiday weekend to open as many lanes as possible. Significant road construction projects that

may impact Memorial Day weekend travel include: North Central Wisconsin Barron County: US 53 South between Cameron and New Auburn is reduced to a single lane of traffic at multiple bridge locations. Watch for reduced speed limits. Access real-time information on travel conditions, live traffic cameras, work zones and incidents across Wisconsin: Download the free 511 Wisconsin app Visit 511wi.gov Follow @511WI on X Dial 511 Alerts and updates provided via these sites are not intended for use while driving. When driving, your focus should always be on the road ahead. Motorists may encounter the WisDOT Safety Patrol, sponsored by GEICO, along sections of I-41 in Brown and Outagamie counties, I-43 in Milwaukee County, and I-39/90/94 in Columbia County. The fleet of specially equipped vehicles help manage highway incidents within major construction work zones to keep everyone safe. Coverage hours vary, but most coverage is seven days per week, up to 14

hours per day. Learn more about the WisDOT Safety Patrol. Most Wisconsin rest areas are open and these facilities offer restrooms, amenities and a break from travel. The rest area along I-90 westbound near Sparta and the rest areas along I-43 near Denmark and Maribel are closed for reconstruction. WisDOT offers these safety reminders: Buckle Up, Phone Down – every trip, every time. Encourage family, friends and co-workers to take the pledge. Slow down. Posted speed limits apply to ideal travel conditions. Drivers are required to travel at a “reasonable and prudent” speed based on weather and traffic conditions. Eliminate distractions and focus on what's ahead. Texting while driving is prohibited and very dangerous. It is also illegal in Wisconsin for drivers to use a handheld mobile device in work zones. Move over or slow down for emergency responders stopped along a highway with their warning lights flashing. That includes police and fire vehicles, ambulances, tow trucks and highway

CUMBERLAND BOARD OF EDUCATION MINUTES Tuesday, April 15, 2025 Regular Board Meeting Middle School Commons, 6:00 p.m. Open Session and Closed to Follow

STAPLES LAKE PROTECTION DISTRICT COMMUNITY ANNUAL MEETING/PICNIC
Date: June 7, 2025
Time: 10:00 am-11:00 pm
Location: Mixed Up Staples Lake Restaurant & Bar 1977 Polk Barron Street Comstock, WI 54826

The Staples Lake Protection & Rehabilitation District will hold their annual meeting on **June 7, 2025**. The district continues to implement our Lake Management Plan that identifies strategies and resources that address the water quality challenges facing our lake. We have also been diligently meeting with both Polk & Baron counties to identify areas needing attention within our watershed. As a landowner in the lake district, your input on priorities and potential management options is very important. Annual summer picnic to follow meeting.

Dan Fisher, Secretary
Staples Lake Protection District
