

End of Year Giving Campaign for Cumberland Area Trails Alliance

The Cumberland Area Trails Alliance is in our 2nd year as a local nonprofit. We are dedicated to educating the public on the health and environmental benefits of creating, restoring and preserving hiking and bicycling trails in and around Cumberland, Wisconsin. We collaborate with like-minded organizations to promote environmental stewardship and community engagement. We host 7 free family-friendly outdoor immersion events per year that include hiking, biking, snowshoeing and paddling. Each of our events is done in collaboration with other local trail groups or businesses to ensure co-promotion. . Our group has been working with the city and schools to help plan and fund improvements to the parks and trails in the area as well as hosting walking/biking challenges for adults and school children alike. This year’s expected expenditures include a bicycle repair station with kiosk and bike racks (estimate:\$8000+), 1-2 outdoor climate controlled Auto-

mated External Defibrillator/AED units to be placed at local parks (estimate: \$10,350 each), Walking/bicycling route signs (estimate: \$3000) Trail development (priceless). More information regarding our group can be found on our website at www.CumberlandAreaTrailsAlliance.org During this special time of year, we pause to reflect on all we are thankful for....our family, friends, the beautiful area we live in and especially our wonderful little community! Veteran’s Day..

His body would eventually be returned to the Island City in October of 1920 and following a funeral at the Methodist Church, he would be laid to rest in the Lakeside cemetery.

Anderson’s funeral was a time to remember his service and an opportunity to try and grow the Post. Members described the Legion’s purpose as, “To get all ex-servicemen initiated into the order, of which every person who wore the uniform should belong.”

In January of 1922, the Cumberland American Legion Auxiliary was formed and Vivian Dunham was chosen as the first President. The Auxiliary members goal was to help the Legion through volunteer hours, programs, and an increased presence. The annual dues were set at fifty cents a year and included a subscription to the “American Legion Weekly.” A joint meeting with the Legion Post was held on February 21 as the Advocate said, “The eve of Washington’s birthday is a fitting time for these two patriotic organizations to make their debut.”

One of the Auxiliary’s Charter members was Nellie

Hart. Following the passage of Woman’s Suffrage, she would cast not only the first ever official woman’s vote in Cumberland, but also the first city vote on that morning of November 4, 1920.

Hart would also become an important member in the early days of the Auxiliary, not only as the Cumberland President, but eventually being elected a State Historian and in 1924 the State President.

Over 100 years later, the two groups are still serving our country and the Cumberland community.

The Legion serves the community by supporting veterans and their families in need, participating in the November 11th Veterans Day Program at the Elementary and High School, supporting local scouting and youth groups, providing yearly Scholarships, placing Honor Guards in local parades and funerals of veterans, and furnishing USA Flags in 22 cemeteries for veterans.

Working side by side is the Auxiliary. Eligibility for membership goes to any mother, grandmother, sister, daughter, granddaughter, male or female spouse, or a female veteran related to a veteran who has served. There

are two paths to membership: A) you are related to a living veteran and a current member of the American legion or B) you are related to a deceased veteran who served and was honorably discharged.

The Auxiliary has many programs to help carry out their mission of “Service, not self.” One of their most popular programs is the Poppy Drive. Locally, they help educate the youth on the purpose of Veterans Day and Memorial Day and serve lunch at the Cumberland American Legion on Veterans and Memorial Day,

More recently, another addition to our Legion programs became a reality when a charter was granted to the Cumberland Sons of American Legion Squadron 98, on July 9, 2020. Its goal is to honor the heritage and the sacrifices of our service members and support the local American Legion Post 98 financially and through volunteerism in the many projects they do.

The American Legion’s motto continues to be, “Veterans Strengthening America.” Their contributions and those of the Auxiliary and Sons of the American Legion are not only strengthening our country, but our community.
