State of Wisconsin – Department of Natural Resources
Form 3400-184 (Rev - 07/17)

Sanitary Sewer Overflow (SSO)
 Treatment Facility Overflow (TFO)

Pursuant to s. 283.55(1)(dm) Wis. Stats., s. NR 210.21(4) Wis. Adm. Code and in accordance with reporting requirements in your WPDES permit, permittees shall submit a written report form for each overflow. This record is used to administer the water quality program, and any personally identifiable information may be provided to requesters as required under the Wisconsin Open Records law (ss. 19.13-19.39, Wis. Stat)

Use one form per SSO location. Submit within five calendar days to your Department wastewater representative. Attach additional information as necessary to explain or document each overflow occurrence. A single SSO may be more than one day if the circumstance causing the overflow results in discharge duration more than 24 hours. If there is a stop and restart of the overflow within 24 hours, but it's caused by the same circumstances, report it as one SSO. If discharges are separated by more than 24 hours, they should be reported as separate SSO's

Overflow Explanation (This includes any information, whether the overflow was unavoidable to prevent loss of life, personal injury, or severe property damage and whether there were feasible alternatives to the overflow)

We were notified by a business owner that their floor drains were backing up. Upon arrival, we noticed wastewater flowing out of the pick hole at manhole #204. We immediately pumped out the manhole with the pumper truck. This main line has had multiple issues in the past of freeze ups so, we assumed the blockage was ice.

Immediate Corrective Action and Steps Taken to Reduce this Overflow Volume and Impacts

Kenway was notified and steamed the ice blockage. We pumped the debris out of manhole #203

Long term Plan to Reduce, Eliminate, Prevent Reoccurrence of this Overflow

This mainline has been an issue for years due to the business being on a dead end/ no wastewater flowing sewer main. It is a shallow line (2.5-4 ft deep) that was dug up, a portion replaced with PVC, and insulated in 2008. The issue remains that the manholes were not replaced nor was the mainline fully replaced. 175 ft of the 208 ft mainline was replaced. It will be my recommendation to the council that the rest of the mainline is replaced/ insulated (currently clay tile) and the manholes replaced. The business has been notified to run a pencil stream of water for the remainder of the winter.

TOWN OF MCKINLEY

NOTICE OF BOARD OF REVIEW

Notice is hereby given that the Board of Review for the Town of McKinley, Polk County, Wisconsin, shall hold its first meeting on Wednesday, April 29, 2026, from 4:00 to 6:00 p.m. at the McKinley Town Hall, 2527 15th Street, Cumberland, Wisconsin.

Please be advised of the following requirements to appear before the board of review and procedural requirements if appearing before the board:

1. No person will be allowed to appear before the board of review, to testify to the board by telephone, or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the assessor to enter onto property to conduct an exterior view of such property being assessed.

2. After the first meeting of the board of review and before the board's final adjournment, no person who is scheduled to appear before the board of review may contact or provide information to a member of the board about the person's objection, except at a session of the board. Open book shall occur no less than 7 days prior to the board of review.

3. The board of review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the board's first scheduled meeting, the objector provides to the board's clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the board shall waive that requirement during the first 2 hours of the board's first scheduled meeting, and the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the board of review during the first 2 hours of the first scheduled meeting.

4. Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the board of review within the first 2 hours of the board's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days. The board may require objections to the amount or valuation of property to be submitted on forms approved by the Department of Revenue, and the board shall require that any forms include stated valuations of the property in question. Persons who own land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person who owns land and improvements to that land may object only to the valuation of that land or only to the valuation of improvements to that land. No person may be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the board in support of the objections and made full disclosure before the board, under oath, of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the board.

5. When appearing before the board of review, the objecting person shall specify in writing the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

6. No person may appear before the board of review, testify to the board by telephone, or object to a valuation if that valuation was made by the assessor or the objector using the income method of valuation, unless no later than 7 days before the first meeting of the board of review the person supplies the assessor with all the information about income and expenses, as specified in the assessor's manual under s. 73.03 (2a), Wis. stats., that the assessor requests. The Town of McKinley has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph that provides exceptions for per

sons using information in the discharge of duties imposed by law or the duties of their officer or by order of a court. The information that is provided under this paragraph, unless a court determines before the first meeting of the board of review that it is inaccurate, is not subject to the right of inspection and copying under s. 19.35 (1), Wis. Stats.

7. The board shall hear upon oath, by telephone, all ill or disabled persons who present to the board a letter from a physician, surgeon, or osteopath that confirms their illness or disability. No other persons may testify by telephone unless the Board, in its discretion, has determined to grant a property owner's or their representative's request to testify under oath by telephone or written statement.

8. No person may appear before the board of review, testify to the board by telephone, or contest the amount of any assessment unless, at least 48 hours before the first meeting of the board, or at least 48 hours before the objection is heard if the objection is allowed under s.70.47 (3) (a), Wis. stats., that person provides to the clerk of the board of review notice as to whether the person will ask for the removal of a member of the board of review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take.

Notice is hereby given the 18th day of March 2026.
