138th YEAR • NO. 11

news@cumberland-advocate.com

WEDNESDAY, MAY 15, 2019

Maxwell Brenna • Valedictorian
Maxwell Brenna is the son of Benjamin and Amy Brenna. He will be majoring in Biochemistry and Molecular Biology at the University of Wisconsin - Eau Claire in the fall. Maxwell has been involved in Marching Band, Jazz Band, Track, Soccer, and National Honor Society throughout High School.

Zachary Hullander • Salutatorian
Zachary Hullander is the son of Tom Hullander and Kiersten Kopp. He will be attending the University of Minnesota - Duluth to pursue a degree in Materials Engineering in the fall. Zachary has been involved in Track, Soccer, Cross Country, Football, Marching and Jazz Band, and National Honor Society.

Robin Lee Csuti • Class of 1968
Robin Csuti graduated from Cumberland High School in 1968. After graduating from the University of Akron with a B.S. in both Business and Education, she taught for eight years. At that time, she decided to serve the country in the United States Navy.

Repair delays at Senior Center and Highway 63 Bridge repairs spark debate at May City Council meeting

The May City Council meeting on Tuesday, May 7th got off to a rousing start as a group representing the Cumberland Area Senior Center confronted the council during the public comment portion of the agenda. Gloria Lindemann was first to speak. Her first request was for an update on the status of the repairs. She also stated that the Center needs the City's help, and that they need to "step up and help out to get things done." Dave Husby, Presi-

dent of the Senior Center, expressed the frustration at the delays in the repairs to the kitchen which has impacted the Center's ability to provide vital meal services to its members and community. "We are in the dark," Dave stated. "We don't know who is paying for what, what all is being done and when it is going to be finished." City Clerk-Treasurer, Julie Kessler, and Police Chief Rick Rieper stepped in to try and explain the delays. Rick

is coordinating the City's efforts at the Center. According to Julie and Rick, the major delay seems to be waiting for the insurance to say what of the cost will be covered by insurance. Secondary to that is a problem getting specifications for the new dishwasher, which in turn is delaying the order for the cabinets and counter tops. Add to that having to get contractors to fit the work into their schedule since the project has run into so many snags.

Mayor Skinner asked that members of the finance committee to reach out to the Senior Center Board for better communication on the project and financing. Moving on with the agenda, the council approved the necessary noise variance and fireworks permit for the Chamber of Commerce's 4th of July celebration, as well as the noise variance for Rutabaga Festival. The council then approved three new ordi-

K-9 Koda apprehends subject attempting to flee arrest

On Thursday, May 9, 2019, at 11:47 p.m. the Barron County Sheriff's Department received an anonymous tip that Trevor Davis was at a residence outside of Cameron. Davis had several warrants for his arrest from Eau Claire,

Rusk and Barron Counties. Deputies responded to this address and Trevor fled on foot from a car he was in, into a house where he hid. K-9 Koda was on scene and after Trevor refused to exit after several

commands, K-9 Koda was sent in and apprehended Davis, who was hiding in a back bedroom. Davis received an apprehension bite to his arm and was flown to an Eau Claire Hospital to be treated for his injury. Eau Claire

County then took Davis into custody on their warrants at the hospital. Davis, 29, of Cameron, was wanted for Armed Robbery, Strangulation, Aggravated Battery, Intimidation of a Victim and Possession of Methamphetamine.

Stray voltage may have caused cows deaths

On Friday, May 3, 2019, the Barron County Sheriff's Department received a complaint of several deceased cows on a farm near Almena. Deputies responded to the scene and located about 20-25 deceased

cows. Initial investigation shows that the cows were deceased over the winter months for several reasons. The cows died from winter conditions, illness or from possible stray voltage.

All the other animals on the farm were in good health and have been moved to another farm until the stray voltage issue can be looked into and corrected. While this case is still

under investigation there appears to be no violations and proper disposal has been conducted with the animals. The owners, Charlie and Jody Hase, are cooperating fully with the Sheriff's Department.

One killed one injured in two-vehicle accident

On Sunday, May 12th at 2:40 p.m. a crash occurred on Boot Lake Road south of County Highway B in Washburn County near Shell Lake. The crash involved one fatality and one injury. Wisconsin State Troopers responded to the three vehicle crash. A northbound pickup truck collided into

two southbound passenger cars. The driver of the pickup truck received serious injuries and was transported by North Aircare to a hospital in Minnesota. A driver of one of the passenger cars received fatal injuries. The crash remains under investigation by the Wisconsin State Patrol.

Thank you for your generous support!

The Cumberland High School Class of 2019 Senior Awards Banquet was held at the Das Lach Haus on May 8. Through generous donations from local businesses, organizations and sponsors, over \$180,000 was awarded to individual seniors furthering their education.

People

Dr. Sabrina Meddaugh

Cumberland Healthcare Welcomes New Provider

Cumberland Healthcare is pleased to welcome Sabrina Meddaugh, DNP, APNP, FNP-C, to our professional staff.

Sabrina was born and raised on a farm in rural central Wisconsin. Growing up in a small town influenced her passion and decision to become a Family Practice Nurse Practitioner within a rural community like Cumberland. Sabrina currently lives in Cumberland with her husband, and they are grateful to be able to raise their two daughters here and to be an active part of the local community.

Sabrina's professional interests include women's health, pediatrics, family practice, contraceptive management and care, and all aspects of community health promotion.

Sabrina sees patients of all ages at Cumberland Healthcare, to schedule an appointment call 715-822-7500.

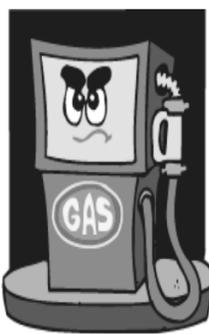

Cumberland Healthcare is an independent, not-for-profit, critical access healthcare facility, in your community, providing a full spectrum of services to all ages.

Card of Thanks

A special Thank You to everyone who have shared our sorrow at Steve's passing and offered their support to all of us.

Thank You,
The King Family

Family Fishing Festival at Spooner Hatchery

Sponsored by Friends Into Spooner Hatchery and the Wisconsin DNR, Spooner

A Free Family Fishing event will be hosted by the Friends Into Spooner Hatchery and the Wisconsin DNR, Spooner office. The event on June 1, 2018 will be held at the Gov. Tommy G. Thompson Hatchery, 951 W. Maple St, in Spooner from 9 am - 11:30pm. The event is held on the Yellow River just a short distance

May City Council...

The first ordinance involves electronic nicotine delivery systems and non-nicotine vaping products; the second prohibits sexing; and the third ordinance amends the capital improvements plan in the comprehensive plan. The complete wordings of the new ordinances can be found in the Public Notices section on pages 10 and 11.

The Community Development Block Grant was tackled next. Resolutions approving the submission of the grant, appointing a representative to receive the funds from the grant and to commit matching funds for the grant were all adopted.

Another resolution approving changes to the pricing structure at the Cemetery was also adopted. The changes bring us in line with fees being charged by other area cemeteries as well as simplify the pricing structure in general.

The council also approved the purchase of a lawn mower for the Street Department and services to install a fuel tank at the Street Department.

Lastly, the council opened a discussion on the USH 63 Bridge (by Lakeside Restaurant) replacement project. The start of the project is approximately seven years out but, because of the all the regulations involved, we need to decide what form the repairs/replacement will take.

The council was in firm agreement that we must do something and that the best way to determine what will fit the community's needs is to hold a public meeting. The DOT had already offered to attend and speak at such an event. The decision was made to coordinate with the DOT on a date to hold such a meeting.

Editor's note: Julie Kessler informed the Advocate that a public meeting will be held during the next regular Council meeting on June 4th. The Public is invited, and encouraged, to attend.

With no further business, the meeting adjourned at 7:43 p.m. The next regular council meeting will be held on June 4th at 7:00 p.m. at City Hall.

DNR: Crex Meadows Open House

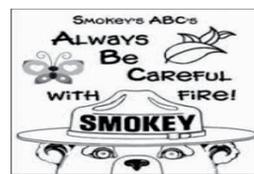

Welcome spring with bird banding, wild edibles, family activities and more at the Crex Meadows spring open house

Celebrate the arrival of spring by heading to Crex Meadows Wildlife Area for our Spring Open House beginning at 7 a.m. on Sunday, May 18 at the Crex Meadows Wildlife Education and Visitor Center. Visitors can enjoy an early morning bird tour, songbird banding, bird activities for kids, property management tours, a bald eagle watch tour, a wild edibles class and more.

Some events require pre-registration. For more information, contact Lauren Finch, Department of Natural Resources natural resources educator, at 715-463-2739. Crex Meadows State Wildlife Area is located at 102 East Crex Ave., Grantsburg, Wis.

Wildlife conservation education programs are supported by the Friends of Crex. For more information, visit www.crexmeadows.org.

Please report your Crex wildlife observations via email: information@crexmeadows.org.

COUNCIL VACANCY

The City of Cumberland currently has a Ward 1 Alderperson vacancy. Any resident of Ward 1 interested in being appointed to serve in this position until the April Election, should file a letter of interest and qualifications with City Clerk-Treasurer, Julie Kessler at City Hall, 950 1st Avenue or by e-mail at clerk@cityofcumberland.net.

Deadline is May 29, 2019 at 2:00 pm.

SOUTHERN GOSPEL MUSIC

ETC CHILDREN'S THEATER PRESENTS
PETER PAN
By James Barrie, adapted by Craig Sodaro
A Classic Fairy Tale FOR ALL AGES!
JUNE 7-9, 13-15
All Performances at 7 pm Except Sunday, June 9 at 2 pm
ADULTS \$10 STUDENTS \$5 TICKETS
The Darling children love to hear of Peter Pan's adventures during his visits through the open window of the nursery. One night, after Nana has taken his shadow and Wendy has sewn it back on, Peter Pan and Tinker Bell whisk the children off to Neverland to be part of the adventures.
Wendy, John, and Michael become friends with the Lost Boys and Princess Tiger Lily, and Wendy becomes everyone's mother. When the evil Captain Hook captures Wendy and the Lost Boys, Peter Pan comes to their rescue. Together with the ticking crocodile, Peter Pan puts Captain Hook in his place and returns the Darling children to their home.

Library Happenings

by Rob Ankarlo, Director,
Thomas St. Angelo
Public Library

Happy belated Mother's Day to all the moms in our community. It was a perfect weekend to spend quality time together and give tribute to all the special women in our lives who do so much for their families and friends.

The Anna St. Angelo Children's Room is gearing up for the *Aliens Escape From Earth* event on Tuesday, May 28th at 6:30 PM. This action packed and educational alien adventure will provide story telling opportunities and create many special effects and science experiments which will surely entertain library patrons of all ages.

The youth service staff have been busy organizing special events, planning the Main Street scavenger hunt, creating book displays, and designing artistic decorations for the exciting "space" theme. This year all youth participants will be awarded a fun t-shirt (personally designed by Karen Couch) and they will also be eligible to win many fun and educational prizes.

The Ice Age Trail Alliance - Superior Lobe Chapter will be hosting a special event on Friday, May 31st at 1:00 PM on the second floor of the library. Bob

Held will be the master of ceremonies. UW-Madison Professor David Mickelson will speak on the impact of the Great Lake Wisconsin Glacier which has created our state's deepest lakes and local island landscape. Additional presentations will follow with Mayor Skinner, State Assembly Rep. Quinn and State Senator Bewley speaking at various local city parks.

Thank you to the Friends of the Library and the Cumberland TSAP Library Foundation for sponsoring the popular presenter and author Joel Karsten. Mr. Karsten spoke on his method of straw bale gardening. With the support of the library's Work-Force Resource SC-SEP worker, Michael, the library will have five straw bales to be used to grow cherry tomatoes and other vegetables. Everyone will enjoy watching these vegetables grow and when they are ready to be harvested, we will have fun eating them.

A huge thank you goes out to the various businesses and community members for providing generous donations to support the purchase and installation of the new Everbright wall light display. The library's

On Friday, May 10th, the Cumberland High School Symphony Band was honored to present the premiere of a moving piece of specially commissioned instrumental music by renowned composer and conductor Brian Balmages. The piece, entitled "Breaking Point," was inspired by the events surrounding the recent passing of Balmages father. The commissioned music was made possible through the Rural Arts Project grant that the music department received from the Cumberland Educational Foundation last year.

goal of raising over \$26,000 to add this new multigenerational STEAM item is becoming a reality. The Everbright is a mixed-media interactive four foot by eight foot light board composed of hundreds of color dials that can be turned endlessly in either direction through the color spectrum. This interactive and innovative form of technology will brighten the lives of patrons of all ages and it will be accessible seven days a week!

Local Maple Syrup firm receives DATCP Buy Local, Buy Wisconsin Grant

Anderson's Maple Syrup of Cumberland was one of nine local food projects selected to receive grants through the Buy Local, Buy Wisconsin (BLBW) program, a competitive grant program designed to strengthen Wisconsin's food industries by reducing marketing, distribution, and processing hurdles that impede the access of Wisconsin food products to local purchasers.

Administered by the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP), the BLBW grants help provide consumers access to even more Wisconsin-grown food products, including locally grown herbs for chefs and retailers, organic vegetables, maple syrup, red wine vinegar, and locally produced beer.

Anderson's Maple Syrup grant was awarded the grant for a Market expansion project which seeks to increase consumption of Wisconsin organic pure maple syrup by promoting a new innovative single-serve package.

"Our agency is pleased to provide support for these innovative local food projects," said Kietra Olson, BLBW program manager. "The grants are intended to support the diverse sectors of Wisconsin agriculture, and outcomes generated by the grant recipients provide benefits to local communities and serve as models for others in the local food industry."

DATCP received 31 funding requests totaling about \$1.1 million. Ultimately, nine projects totaling \$200,000 were selected to receive FY2019 grants.

The other 2019 grantees

are: Lovefood (Madison); Driftless Brewery (Soldiers Grove); Enos Farm (Spring Green); Mushroom Mike (Milwaukee); JRs Country Acres (Lake Mills); Barham Gardens (Blanchardville); Ugly Apple, LLC (Madison); and Campo di Bella (Mount Horeb).

Since its inception in 2008, the program has funded more than 60 projects, totaling \$1.625 million. Previous grant recipients have generated more than \$10 million in new local food sales, created and retained more than 220 jobs, and benefitted more than 2,800 producers and nearly 3,000 markets. Due to the significant impact and growing interest in the program, Governor Evers' budget proposes an additional \$100,000 per year for Buy Local, Buy Wisconsin.

Opinion

By Craig Bucher

There an article in the Sunday newspaper and a segment in the news program, "60 Minutes" that pushed my buttons. The article concerned a subject that is crucial to every single American's wellbeing, the cost of medicine, more specifically the drugs that we take. The Sunday article dealt with the increased cost of insulin, a crucial drug for every person who has diabetes. Studies have found that insulin prices in the United States have doubled between 2012 and 2016. A three to four month supply of insulin costs \$410 in Canada while the same amount of insulin in the United States costs \$5,250. Why? Well the Canadian government negotiates with the three largest insulin producers on pricing, while in the U.S., drug companies set their own prices. There you have it - the reason we need government or should I say - government that works for people. Maybe that should be a question for every candidate running for federal office - "Will you help pass a law that allows the Food and Drug Administration to bargain for better drug prices?" The "60 Minutes" program examined the increased cost of generic medicines. Some of the most common medicines have had cost increases as much as 4,000 percent in the past few years. The Connecticut Attorney General along with 20 other states is suing drug companies and is seeking the largest fine in the history of this type of fraud litigation. I believe this is another example of the need for federal legislation to allow much more regulation and oversight of the pharmaceutical industry. Unfettered capitalism just doesn't work. You and I need courageous public servants who will stand up for us and if our present elected officials won't, then vote them out of office. This is not a partisan issue. Every candidate, Republican or Democrat should be willing to take on the greed in the pharmaceutical industry. To me, it is a no-brainer!

SEE YOU NEXT WEEK!

P.S. I hope every mother had a good Mother's Day. You sure deserve it!

Inside Wisconsin

by Tom Still

Robocall relief may be coming, but it's likely temporary and won't be foolproof

MADISON, WI – There are "four serious charges" against me, someone can sell me the answer to my "chronic back pain," I can translate what sounds like Mandarin and I appear to have as many friends in Belarus and Lithuania as I do in Baraboo and Lake Mills.

How do I know all that and more? My robocalls.

Like most of the people in America these days, I don't pick up my mobile phone to answer a call until checking first to see if I recognize the number. It's not just a time-wasting nuisance but a growing danger, especially to those who may fall for scams of all types.

Nearly 48 billion robocalls were placed in 2018, according to the YouMail Robocall Index, up about 57 percent from 30 billion calls in 2017. They range from alerts and reminders to telemarketing to pure scams involving health care, interest rates, student loans, travel, taxes and more.

They come from people who want you to give them your Social Security number. They come from faraway places with a single ring that tempt you to call back, meaning you might get stuck

with paying a fee much like a 900 number.

They come from familiar area codes and prefixes, even though they originated far away. That trick is called "spoofing" and it can get past filters otherwise in place. My wife once got a robocall that purported to be from her own phone.

If there is an issue that can unite Republicans and Democrats alike, it might be robocalls. That's happening in Congress, where U.S. Sens. John Thune, R-S.D., and Ed Markey, D-Mass., have co-sponsored the Telephone Robocall Abuse Criminal Enforcement and Deterrence Act – which goes by the acronym of TRACED – to curb illegal calls and spoofing.

Specifically, the bill would require providers of voice services to use authentication protocols, one of which goes by the James Bond-inspired nickname of STIR/Shaken. That system has been installed by at least one mobile carrier with more to follow soon, but it's not compatible with all devices and must also be adopted by those who operate in the cable and voice-over-internet worlds to be most effective.

Among the 54 attorneys

general in the United States and its territories who have endorsed the TRACED bill is Wisconsin's Josh Kaul. Brad Pfaff, the secretary-designee for Wisconsin's Department of Agriculture, Trade and Consumer Protection, has done the same.

"Telemarketing complaints have nearly doubled in Wisconsin since 2015, and the vast majority of these are illegal robocalls," Pfaff said.

Nationally, the story is very much the same: Robocalls are the No. 1 source of consumer complaints to the Federal Trade Commission and the Federal Communications Commission.

The Wisconsin Legislature has also taken notice. State Rep. Joe Sanfelippo, R-New Berlin, and State Sen. Dale Kooyenga, R-Brookfield, have introduced a bill aimed at preventing telemarketers from displaying a false phone number on the recipients' caller ID – the trick known as "spoofing." The bill would also prohibit telemarketers from blocking their caller ID information altogether.

In case you're wondering, this is one national problem that can't be blamed on President Trump ... at least,

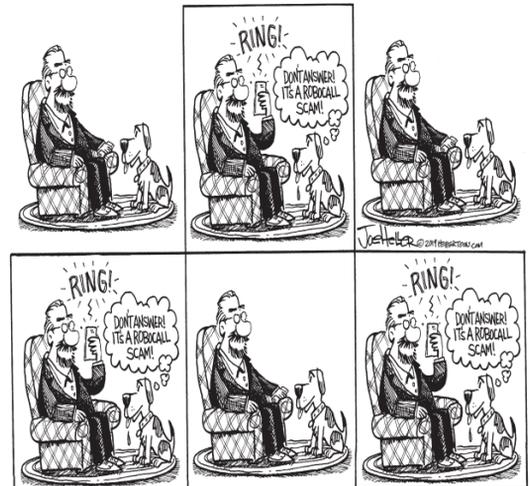

not for the first 10 years. The phenomenon has been growing since 2006, with FCC and FTC misfires every few years after the first version of STIR/Shaken was unveiled to regulators.

Then again, it's no guarantee that government intervention would have solved the problem then – or now. Whether it's federal or state actions, such measures assume robocallers will follow laws and regulations (unlikely, without sharp teeth) or not invent smarter technical work-arounds.

In the meantime, people can sign up for the FTC's Do Not Call Registry or download apps such as RoboKiller, Verizon's CallFilter, AT&T's CallProtect and T-Mobile's NameID. Again, none of those solutions are perfect, but they can be better than nothing until a better protocol comes along.

Robocallers may be doing what the nation needs most: Uniting people around a common scourge. It's not climate change, the deficit, immigration or trade, but maybe it's a start.

Still is president of the WI Technology Council. He can be reached at tstill@wisconsin-technologycouncil.com.

PAVLOV'S DOG + CELLPHONE

A Look Back

10 Years Ago May 13, 2009

Cumberland High School will be celebrating outstanding graduates at its '09 commencement ceremonies. Receiving the honor will be Louis E. Muench, a 1972 graduate and President of Louie's Finer Meats in Cumberland, and Edward G. Thompson, a 1956 graduate who has spent 40 years teaching vocal music and art in the state of Wisconsin. In 1944 he established the Red Cedar Chorus and directed it until 2001.

The Cumberland Boys Golf Team continued to earn victories last week defeating Ladysmith at Ladysmith 160-180 and on May 5th in rain and wind beat conference opponents Bloomer and Chetek with a score of 160. Bloomer shot a team score of 186 and Chetek posted 176.

Being inducted into the Cumberland Baseball Hall of Fame at the annual Hall of Fame and Honors Banquet are: Corey Pederson, Adam Diesterhaft and Jake Lundquist.

30 Years Ago May 17, 1989

Any one of the over 600 people who attended the first performance of the newly formed Cumberland Community Theatre came out with a laugh. The Neil Simon play "The Good Doctor" is funny to begin with, then the local actors, for the first time on stage, made the whole show a delight.

"When I'm With You" was the theme for the Cumberland High School Prom. Prom Court members were:

Queen Tracy Dague, King Tim Altmann, Jeff Ladd, Ladell Kleinschmidt, 1988 Queen Jeanette Bents, 1988 King Victor Straw, Jason Sweet, Lana Peterson, Jenny Stuntz, Don Donatell, Brian Kastner, Kristen Bents, Heidi Owens, David Forseth, and Junior Royalty Jamie Lombard and Jonathan Wineinger.

40 Years Ago May 16, 1979

Ground breaking for the new DNR area headquarters building took place on Tuesday morning. The structure will be located between the Isle Theatre and the Spot Bar.

Receiving first rating at the state solo music contest in Eau Claire were: Willie Rathbun, Jill Mayer, and Mark Vocelka.

Tom Walsh of Cumberland caught a 5 lb. 11 oz. largemouth bass on Monday in big Vermillion Lake.

50 Years Ago May 15, 1969

Professor Paul Nyhus, a former Cumberland resident, was appointed acting dean of students at Bowdoin College in Brunswick, Main. Professor Nyhus attended high school in Cumberland and Fargo, North Dakota.

The annual CHS junior prom was held recently. Members of the court were: Debbie Frie, Lois Nystrom, Mary Hopkins, Becky Nyhus, Linda Fink, King Mike Nelli, Bert Skinner, Pete Antonetti, Marvin Johnson, Jerry Ritchie and Gary Vig. Betty Rydberg was crowned queen.

Three CHS students par-

ticipated in the state music meet in Eau Claire on May 3. Jim Quinn received a first for his tenor solo; Marv Lundervold a second on his baritone solo; and Paula Cordes received a first with her piano solo.

The CHS 880-yard relay team of Steve Anderson, Rich Capuzzi, Steve Ruppel and Pete Antonetti set a new record of 1:37.2 at the Class B Rice Lake Invitational track meet recently.

65 Years Ago May 13, 1954

One of Cumberland's oldest retail outlets, the S. W. Hines Mercantile Co. will close its doors this spring after having been identified with the local business scene for the past 53 years.

Buddy Jensen and Bruce Stender won a trip to the Twin Cities in a contest sponsored by a Minneapolis newspaper for their carriers.

As of last Thursday, the level of Beaver Dam Lake stood at a point 26 inches above the low-water mark which prevailed after the ice had left the lake.

Howard Nelson and Karen Borrman will reign as king and queen of the junior prom on May 14.

80 Years Ago May 11, 1939

The old barn south of the Cumberland Hotel, which served as a garage for Lew Thomas, was completely destroyed by fire recently.

With the 30-inch raise in Beaver Dam Lake this spring, old residents started reminiscing about the "good old days" when Cumberland was an island city. The lake

has risen four inches in the past two years.

A business change in Almena was completed recently when H. A. Curt sold his creamery to William Nichols of Cokato.

100 Years Ago May 15, 1919

Nels G. Sorensen has purchased an interest in the Young tailoring establishment and has commenced operations.

The Miller-Olcott Lumber Co. has just installed a 15 hp. motor to run its planing mill.

Theodore Glassel has rented the farm north of Loraine and will have an auction sale on May 29. He expects to accept a position on a stock ranch in western Canada.

Putzke, 20, Rice Lake, speeding, \$175.30; Lisa T. Schnoor, 50, Rice Lake, operating a motor vehicle while intoxicated, 1st, \$1,050.50 + driver's license revoked for nine months, ignition interlock ordered and must undergo alcohol assessment; Cody L. Stone, 19, Cameron, failure to keep vehicle under control, \$213.10, and operating a motor vehicle while intoxicated, 1st, \$1,050.50 + driver's license revoked for nine months, ignition interlock ordered, and must undergo alcohol assessment; Eric J. Thompson, 21, Cumberland, operating a motor vehicle without insurance, \$200.50, and operating a motor vehicle after suspension of his driver's license, \$200.50; Anne B. Cook, 45, Rice Lake, operating a motor vehicle while intoxicated, 3rd, \$1,744.00 + probation ordered, sentence withheld, driver's license revoked for 27, months, ignition interlock ordered, and must undergo alcohol assessment, and operating a motor vehicle after revocation of her driver's license, \$443.00; Bruce A. Miller, 62, Rice Lake, operating a motor vehicle after revocation of his driver's license, \$443.00.

Omar Tzanahua-Galvez, 33, Rice Lake, pled guilty to a charge of operating a motor vehicle after revocation of his driver's license, he was fined \$443.00 + local jail.

Jennessa R. Lehman, 21, of Chetek was found guilty of disorderly conduct. She was fined \$200.50.

Complaints

Duane M. Ristow, 41, of Chetek, has been charged with burning without a permit. He is scheduled to appear June 19, 2019.

William O. Iverson, 54, of Chetek, has been charged with possession of drug paraphernalia. His court date has been set for June 5, 2019.

Donald D. Hardy, 42, of Cameron, has been charged with having an animal running at large or public nuisance, 1st. He is scheduled to appear June 12, 2019.

Criminal Complaints
Brett A. Morneau, 23, of Chetek, has been charged with three counts of misdemeanor bail jumping. (Failure to comply with the terms of his bond by consuming alcohol). His hearing will be held July 24, 2019.

Lance C. L'Heureux, 36, of Barron, has been charged with forgery, and two counts of felony bail jumping. (Failure to comply with the terms of his bond by committing new crimes). His preliminary hearing will be held June 16, 2019.

Shilo D. Gall, 38, of Almena, has been charged with possession of methamphetamine, possession of THC, and possession of drug paraphernalia. His preliminary hearing will be held May 16, 2019.

Melissa R. Davis, 34, of Rice Lake, has been charged with possession of methamphetamine. Her preliminary hearing was held May 13, 2019.

Nicole M. Morales, 45, of Rice Lake, has been charged with possession of methamphetamine, and two counts of possession of drug paraphernalia. Her preliminary hearing was held May 13, 2019.

Lucy L. Hart, 21, of Cumberland, has been charged with misdemeanor retail theft-intentionally take.

The criminal complaint states that on Saturday, May 4, 2019, at approximately 8:20 p.m. Cumberland Police Officer Strenke, was dispatched to Island Wines Liquor Store, for a retail theft complaint. Upon arrival Officer Strenke observed the store owner and a female subject, identified as Lucy L. Hart, standing behind the counter waiting for police to arrive.

Officer Strenke instructed Hart to step outside with him to talk about what happened. Once outside, Hart admitted to trying to steal from the store and that she got caught. Officer Strenke went back inside the store and spoke with the owner, who stated Hart came into the store and began looking around. She eventually grabbed two bottles of tequila, which were valued at \$66.00. She walked to the counter with the two bottles of tequila. When she reached the counter, she sprinted to the door with the two bottles.

The store owner eventually caught up to her, after she got into a white suburban that was backed into a parking space. The store owner directed Hart to give him some form of identification and to return to the store with him. She complied and they both remained in the store until police arrived.

Officer Strenke transported Hart to the Barron County Jail, where he interviewed her in more detail about the incident. She stated she had a cousin drive her to Island Wines Liquor Store. She said she told her cousin she had money to pay for the liquor, but in reality, she did not. She stated her cousin was not aware that she was going into the store intending to steal. She said she went into the store, grabbed the two bottles of tequila and took off. At the jail, jail staff administered a preliminary breath test, the result was .057.

If convicted Hart may be fined not more than \$10,000 or imprisoned for not more than nine months, or both. Her hearing will be held July 10, 2019.

Justin R. Ruthenberg, 24, of Rice Lake, has been charged with physical abuse of a child-intentionally cause bodily harm and neglecting a child-specified harm did not occur-child under six years of age.

The criminal complaint states that on April 10, 2019, at 11:53 a.m. Rice Lake Police Officer Taylor responded to Marshfield Medical Center for a report of possible child abuse. Upon arrival Officer Taylor made contact with the child's mother. The

Burning for learning

On Monday, May 13th, members of the Cumberland Fire Department conducted a controlled burn training exercise at the "Incredible Backyard" pavilion behind the Cumberland Middle School.

child is nine months old. At the time Officer Taylor arrived at the hospital, Barron County Department of Health and Human Services-Child Protective Services was involved, as well as Adele Richie with the Wisconsin Department of Corrections Probation Office, after the child's grandmother called her upset that Ruthenberg was possibly harming the child.

The child's mother provided Officer Taylor with pictures showing bruising on the right side of the child's face on her cheek, which she had taken the previous day. She also provided Officer Taylor with additional pictures, also taken on April 29th, of the child's right leg, in which four finger imprints, the size of an adult-sized hand, can be seen. The finger imprints can be seen located below, on, and above

the child's right knee.

Officer Taylor observed what appeared to be a bruise on the right side of the child's face on her cheek when he saw her at the hospital on April 30th. He also observed her right leg and on her thigh he saw faint marks that appeared to him could be consistent with marks left behind from the fingers of an adult-sized hand. On her left knee, Officer Taylor observed a mark consistent with a faint bruise and what looked like bruising on the brow of her left eye, that the mother indicated had not been there the previous day.

The mother stated that on April 29th she came home from work around 3:00 p.m. and found her mother at home holding the child and visibly upset. The mother advised that she and Justin had been living upstairs at her mother's residence. She said

that when she arrived home on April 29th, she could tell "something was wrong."

Officer Taylor met with and interviewed Ruthenberg after he was arrested and booked into the Barron County Jail. He asked Ruthenberg what happened the previous day. Ruthenberg said, "I didn't feed my daughter when I was suppose to," and "I was too rough with her when handling her." He stated he "got aggressive with the baby when changing her and holding her." He said he skipped feeding her breakfast a few times. When she had got-

ten fussy during lunch, he wouldn't feed her lunch. He said he didn't feed her because he had gotten mad. He stated the first incident when he did not feed her was about two weeks earlier. He said he had gotten mad and "didn't care about nothing." He continued, "he didn't think or feel when he does it."

If convicted Ruthenberg may be fined not more than \$20,000 or imprisoned for not more than nine years and six months or both. His preliminary hearing will be held May 20, 2019.

Phone and Internet Discounts Available to CenturyLink Customers

CenturyLink participates in a government benefit program (Lifeline) to make residential telephone or qualifying broadband service more affordable to eligible low-income individuals and families. Eligible customers are those that meet eligibility standards as defined by the FCC and state commissions. Residents who live on federally recognized Tribal Lands may qualify for additional Tribal benefits (up to an additional \$25 of enhanced Lifeline support monthly and a credit of up to \$100 on their initial installation charges) if they participate in certain additional federal eligibility programs. The Lifeline discount is available for only one telephone or qualifying broadband service per household, which can be on either a wireline or wireless service. Broadband speeds must be 18 Mbps download and 2 Mbps upload or faster to qualify.

A household is defined for the purposes of the Lifeline program as any individual or group of individuals who live together at the same address and share income and expenses. Lifeline service is not transferable, and only eligible consumers may enroll in the program. Consumers who willfully make false statements in order to obtain a Lifeline discount can be punished by fine or imprisonment and can be barred from the program.

If you live in a CenturyLink service area, please call 1.855.954.6546 or visit centurylink.com/lifeline with questions or to request an application for the Lifeline program.

Sports

Baseball Team on a Roll; Conference Record 7-3

The Cumberland Baseball Team won four straight games last week as it moved its overall record to 10 and 7, 7 and 3 in the HON Conference. The Beavers put together the streak with some excellent pitching, strong hitting, and improved defense. The team is back in action this week, having played a doubleheader against Ladysmith on Tuesday and then traveling to Northwestern this Thursday for another double-dip against the Conference leader.

Things began last Monday with an easy 13-1 win against Prairie Farm in a non-conference tilt. Coach Joe Waite used four different pitchers in the game with Jacob McWilliams picking up the pitching victory.

Cumberland only had five hits in the contest, but received 11 base-on-balls from Prairie Farm pitchers. Travis Rundberg and Dylan Wackerfuss each had doubles for the Beavers, as Coach Waite used his entire roster in the win.

This was followed up on Tuesday with a thrilling 4-3, 12-inning victory over Hayward. It came after some outstanding work on the mound from Reid Olson and Wyatt Tift, who both went six solid innings in the contest. Tift would take the eventual victory, by pitching six scoreless frames after taking the mound in the seventh inning. Together, they would

strikeout 11 Hayward batters. A Trystin Neitzel double in the 12th inning would score the game winner. "It was a great effort and team victory," said Coach Waite.

Saturday, the Beavers would finish up their successful week with a doubleheader sweep of Chetek-Weyerhaeuser, by taking 12-0 and 13-6 victories.

Reid Olson went four innings and Jacob McWilliams one in the whitewash in game one. The Bulldogs could only muster one hit in the five inning contest.

Maddux Allen had three hits in the contest, while Riley Bodsberg, Jack Martens, Trystin Neitzel, Travis Rundberg, and Wyatt Tift had two each. DeShaun Ames, Rundberg, and Neitzel each had doubles in the contest.

In game two, the Beavers jumped to a quick 7-0 lead and ran away for the victory. Coach Joe Waite used four pitchers in the contest, with Wyatt Tift throwing three scoreless for the mound victory.

Reid Olson, Travis Rundberg, and Jack Martens had three hits each in game two, with Rundberg knocking out a double. Maddux Allen continued his hot hitting with two safeties and four runs batted-in.

"We had a nice week and swung the bats well, but still need to shore things up defensively as we head towards the end of the regular season," added Waite

Paul Runstrom keeps a close eye on his shot last Friday during the Beavers home match vs Bloomer. Photo by Bob Nugent

Girls Grab Four HON Wins

The Cumberland Softball Team grabbed four straight HON victories last week, taking doubleheaders from both the Hayward Hurricanes and Chetek-Weyerhaeuser Bulldogs. This sets up the team with momentum as they head towards the conclusion of the regular season.

Things began on Tuesday with 5-2 and 6-2 victories over the Hurricanes.

Coaces Colin Green and Randy Bielmeier received strong pitching from Lauren Green and Payton Nyhus in the victories. Green went the distance in the opener, striking out 12 Hurricane hitters. Nyhus was equally effective as she struck out six in her route going effort.

Green also had a pair of hits in game one, while Ellie Rieper chipped in a double. Sophia Schmidt had a pair of safeties in the second contest, while Ruby Alarcon knocked in two runs with a big single in the fifth inning. Schmidt and Erin Stokes each scored two of Cumberland's six runs in the game.

Saturday, Cumberland continued their strong play with 12 to 3 and 17-7 victories over the Bulldogs in Chetek.

Green struck out 11 in the opening 12-3 victory to take the pitching win. She walked seven, but only allowed four hits. Offensively, Cumberland started the contest with five first inning tallies and never looked back. Green had a huge day at the plate with three hits and five runs-batted-in. This included a home run.

Ellie Rieper was equally impressive with three hits of her own, including two round trippers. Ruby Alarcon added to singles and scored three runs. "We swung the bat very well," said Coach Green.

Nyhus took the pitching win in game two, allowing five earned runs in the five-inning game. She was backed, however, by a Cumberland offense that knocked out 14 hits, while drawing eight base-on-balls. Green added two more home runs, with three hits and six runs-batted-in. Rieper, Stokes, and Alarcon added two hits each, with Alarcon and Rieper scoring three runs each.

The team hits the road this week, having played at Spooner on Tuesday and traveling to Ladysmith this Thursday for a 4:00 pm doubleheader. They then open up Division III WIAA Tournaments, next Tuesday, May 20, when they host St. Croix Falls in a 5:00 pm start. A victory there will likely send the team to Northwestern next Thursday, May 23, for a second round game against the Tigers.

Brenna to Play in Soccer All-Star Game

Cumberland High School senior Maxwell Brenna has been selected to play in the Wisconsin Soccer Coaches Association Masonic All-Star Game to be played July 20th in LaCrosse. Brenna was selected by the WSCA from nominations across the state and drafted by the Blue Team as a defensive midfielder.

In high school soccer, Brenna was a four-year letterman, a three-year captain, a team MVP, and a two-time All-Conference selection. He will be coached by his father, Cumberland Varsity Head Coach B.J. Brenna, who was selected by the WSCA to be an Assistant for the Blue Team.

Ashland Smelt Run

Hello friends,
Every week for the last 30 years this column has been published in about 60 newspapers. One of the really cool bonuses from this job is that I have become friends with many of the readers. The Glidden Enterprise which is located in Ashland County is a paper that has provided me with a lot of friends and this week's column is another example.

**Saturday, May 4th
High 67, low 42**

A spring that has not given us much for pleasant weather gave us a gift today in the form of perfect temps and sunny skies.

My plan was a simple one, all I had to do was drive to Glidden, pick up Scott Polencheck, and then drive to Ashland and hang out on the shores of Lake Superior for the day. When day became night my good friends Dave Bebeau, Brett and Carol Buccanero (Buccanero Baits "very good lures"), Dan Hill, Preston Polencheck, and Pat and his son Bret Beil would join us for a night of smelt seining.

I have only done this once before and it is a very cool sport. A good part of it is getting a spot on shore where you can operate (by hand while wearing chest waders) a 30-foot seine. Though Scott would not operate a seine tonight, what he did was the most important job and that was sitting on the beach with me after I laid out our seine and thus reserving our spot.

For the next six hours we visited with other folks that had reserved their spots as well and it was extremely cool.

To our right was a large family of Hmong from Eau Claire that seemed to be living the life out here as in cooking smelt, big fire, and here for a few days. I have to tell you they were really cool, very tough, and knew how to catch smelt.

To our right was a family from Phillips of three generations that do this every year I was very impressed how there 4 to 8 year-old kids wore knee boots and could amuse themselves. Past our immediate neighbors were two teenagers from Ashland,

and a couple of young men from Waverly, Minnesota that had seined the night before and were doing the big job of cleaning their catch.

Our gang from Glidden arrived about three hours before dark and we lit a fire, some people enjoyed a cocktail, and everyone visited with each other including all of our neighbors.

Just before dark seiners get serious and that means chest waders, and a person on each end of the seine keeping it tight but with a slight bow and on the bottom. You wade out as deep as you can go (about 25-yards) and head back to shore. At shore the net is picked up and held tight and the shore crew picks out the smelt if there are any.

This year has been a very good year for smelting and that is big news for the people of this tradition based sport. Well after dark it was amazing for me as I would wade out to sea and watch for miles the lights of my companions and hear the laughter of everyone having a good time.

Our catch came tough but slowly added up with each pull being between 15 smelt to just over a quart. Since I was kind of a rookie I had to bite the head off a live smelt as did Brett Buccanero and Dan Hill. This goal was accomplished and put on Facebook Live and no one told me that you did not have to swallow it but I did not care.

I met these guys about 15-years ago because Scott Polencheck contacted and invited me on a bear hunt. Since then we have had many very good times and Scott "Superman" loves giving me a hard time, and if you know Scott it isn't too difficult to throw it back at him.

My comrades left late in the night and physically exhausted. I slept for a few hours in the front seat of the Chevy Hotel and of course when I woke up another cold spell had hit the area and it was raining.

As long as I can keep my health and an income, I should easily see 40-years of this way of life!

Sunset

Future smelters waiting for day to become night.

Dan Hill a rookie smelter!

Girls Soccer Team Drops Two Games

The Barron-Cumberland Girls Soccer team dropped two matches last week, losing to Osceola 2-1 and Amery 2-0. This drops the teams overall record to 4 and 6 on the season.

The Bears faced the Osceola Chieftains last Tuesday in a Barron home match that played back and forth the entire first half. "Both teams were getting chances and just not finishing. We were putting a lot of effort in but not getting any fruit for the labor," said assistant coach from Cumberland, B.J. Brenna.

After a scoreless first half, Barrons Kaitlyn Waldofski scored her fourth goal of the year on an assist from Cumberlands Maya Brenna to give the Bears a brief 1-0 lead. It wouldn't stand-up, however, as the Chieftains rallied quickly to score twice within a minute to grab the narrow victory.

Thursday's result was similar as the Amery Warriors beat Barron-Cumberland 2-0. The Bears were missing key players in the contest, including Middle Border All-Conference forward, Rylee Stauner and midfielder, Alyssa Peterson.

"Several young and inexperienced players are getting opportunities to step up. Our overall effort and work rate has been very good in games. We are learning where and how to put the effort to use," said Head Coach, Sarah Stauner, from Barron.

"As a coaching staff we are focusing on developing players and getting the team to work together as a unit on the field. Injuries are a part of sports and a part of growth for a team. The girls are responding and we will be better for it," she added.

This week, the Barron-Cumberland Co-op traveled to Somerset on Monday and Hayward on Tuesday, while Thursday they are back home to face McDonnell-Regis in a non-conference match in Barron beginning at 4:30 pm.

Track Team Runs in Colfax; Regionals in Frederic This Friday

The Cumberland Track Team ran in the Colfax Invitational last week and Tuesday participated in the HON Conference Meet. Next up for the team is the Division III Regional to be held in Frederic this Friday afternoon.

Cumberland joined 16 other teams in Colfax in a Meet patterned after this weeks Regional. In the meet, the Cumberland girls finished fifth and the boys eighth. Northwestern won both competitions.

Cumberlands lone first came from Izzy West in the shot put, where she threw 38 feet. She will be one of the favorites to push for a State berth in the areas Division III competition. She has thrown over 40 feet several times this spring.

Senior Mackenzie Johnson had another big day, taking second in both the 100-meter and 200-meter dash. She added a fourth in the triple jump. She missed a trip to State by one place finish last spring and is poised to make another run in this years Tournaments.

For the girls, Autumn Donatell added a third in the 100-meter hurdles, while teammate Ania Hyatt finished seventh in the same race and sixth in the 300-meter hurdles. Naomi Rodriguez ran a 14:15 to finish fourth in the 3200-meter run, while the girls 4x200-meter relay team finished third and the 4x100-meter team finished fifth. Izzy West added a final fifth in the girls discus.

The boys relay teams continued to perform well, as the 4x800-meter team fin-

ished second to Clear Lake, the 4x100-meter relay team took fourth and the 4x200-meter relay team was fifth. Coach Ryan O'Connell has made them a consistent part of the Beavers 2019 team.

Zach Hullander added a Cumberland fifth in the 800-meter run with a time of 2:17.27, while Andrew Barnes jumped 18'7" to finish fifth in the long jump.

"Our kids are excited for the Conference Meet and a run in the WIAA Tournament. They have worked extremely hard and we're ready to make some noise as our season continues," added Coach O'Connell.

Following Friday's Regional Meet, the Sectional is scheduled for May 23 in Cameron.

Barronett News By Judy Pieper

I hope you had a very happy Mothers' Day. The weather was just about perfect for family get-togethers, finally warm and sunny. And, from the sounds of it, we are supposed to have beautiful weather for the rest of the week. Time to get out and get a little more prep done in the garden.

And, speaking of gardens, you know that this is the week of the big plant sale hosted by Friends of Wiesner Chapel. The sale runs from Thursday, May 16 through Saturday, May 18th. There will be just about any plant you can possibly want for your lawn or garden at the sale, and on Saturday the 18th, there will also be a craft and bake sale and lunch will be served.

This year the sale will not be held at Wiesner Chapel because the chapel is still up on blocks waiting for a new foundation. So, the sale will be at John and Sandy Peichel's house on 8th Street in rural Cumberland. You can get on 8th Street from either Highway 8 over by Almena, or from Highway 48 by Cumberland. After you are on 8th, there will be signs pointing the way to the sale. Come on over, pick up some great plants at very reasonable prices, and have a delicious lunch.

Members of Barronett Civic Club are very happy to announce that they were able to award two \$400 scholarships because of funds raised by Beth at Barronett Bar and Grill. Bonnie Fogelberg and Nancy Scharhag presented the scholarships to Erika Yawn and Teagan Benson at the awards dinner which was held on May 8th at Das Lach Haus. To apply for the scholarship, students wrote an essay about their involvement and contributions to the community. All applicants wrote essays that were worthy, which made the decision very difficult. We would like to congratulate Erika and Teagan and wish them best of luck in the future.

Bonnie Fogelberg also mentioned that the annual civic club meeting will be held on Tuesday, May 21st at 6:00 p.m. at the community center. The members invite everyone to attend the meeting, check out what the club has done in the past and plans to do in the

future. When you see all the good work they do, maybe you will consider joining the club.

There sure were a lot of things going on with the youngsters this past week. Lynn Thon, Jamie Lombard and I went to the spring concert presented by Spooner Elementary School students at the Spooner High School on Thursday evening. Jamie's daughters, Kaitlynn and Jessica, were among the second-grade class performers. They sang, danced and, for the final song, played music. It was great.

Then on Friday, Lynn, Jamie and I had "Muffins with Mom" with the girls at the elementary school. The muffins were delicious, and the girls were very happy to be able to eat breakfast at school with us. There was an area set up for picture taking, and that was very nice because we had a four-generation picture taken in front of the poster of "Muffins with Mom." And, we were able to visit with lots of other parents and grandparents. (One of my favorite things to do).

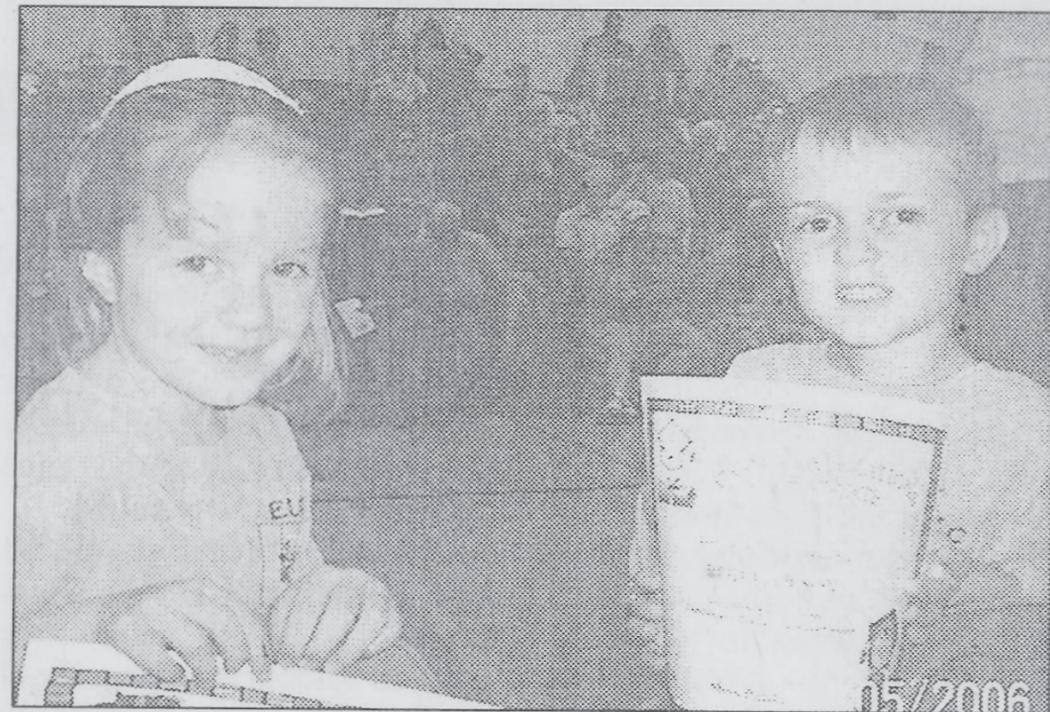

On Saturday Lynn, Jamie and I went to Rice Lake to watch Jessica Holmen play soccer with the Spooner Badgers Iceland team. The kids played well together as a team, but the other team played just a tad better and won the game. It was pretty exciting cheering on the little soccer players.

Suzy Lehmann drove to Somerset Elementary School on Thursday to visit with Tru Lehmann on Grandparents Day. Tru is in second grade, and the kids put on a program about the kind of grandparents they have. And, the kids sang Suzy and Tru's special song, "You Are My Sunshine." After school was over Suzy and Tru went to Dairy Queen for a special treat. Suzy said it was a super day.

Tinille Lehmann and Brent Marek and Miriah Lehmann and Jeremy Olson were at the Lehmann farm on Sunday making sure Suzy had a very happy Mothers' Day. Alyse, Jason and Tru were unable to make it to Barronett, so they will be getting together with Suzy later this week to celebrate mom's special day.

I had a wonderful Mother's Day. It started out with breakfast at Adventures in Rice Lake with Jim Marsh and his entire family, Dawn Paradise, Rick Rousseau, and Lynn Thon and her entire family. That evening we had a picnic at our place for the family. Jim's family

Future Scholarship Recipients

This photo and headline first appeared in the May 31, 2006 Advocate. Pictured are Mackenzie Johnson (L) and Reid Olson getting their certificates at the Early Learning Center's graduation exercises. Mackenzie and Reid are both graduating Seniors this year and did in fact receive scholarships at the Senior Awards Banquet last week. Congratulations to the kids for fulfilling their potential. We always knew you could do it! Clipping submitted by Gloria Johnson

couldn't be there because this is the weekend the whole family was helping Summer get the house ready to put on the market. So, our guests were Pat Olson, Lynn Thon, Jamie Lombard, Kaitlynn and Jessica Holmen, Garrett, Kandice and Kane Thon, Jerry Marsh, Suzy, Ryan and Miriah Lehmann and Jeremy Olson. After everyone else had gone home, Suzy, Ryan, Duane and I played three games of 500. Suzy and I won two out of three. The guys said they were just being nice because of Mothers' Day and all, but that was not the case. We outplayed them.

Duane saw a thing on Facebook a couple days ago. A guy is in his garage, points to a ladder and says, "This is my step-ladder. I never knew my real ladder." Who comes up with this stuff?

I better go, this is turning into a book. I hope to see you at the plant sale one day this week. Otherwise, I'll see you next time.

"Mom is doing a great job of taking care of Dad. I wish she would let us help. What can we do to make things easier for her?"

Meals on Wheels
can lighten her load.

Cumberland Police Dept. Call Log

*Call Log
Monday, May 6*

Officer was out with subject who was pumping diesel gas into a milk gallon jug.

Officer stopped a subject who had a chain dragging on the ground which was causing sparks.

Tuesday, May 7

Officer was advised of a gas drive off. He went to the subject's home, but no one was there. He will make contact with them tomorrow.

Officer was advised of a grass fire below a power line on US Highway 63. Barron Electric was notified and will be enroute shortly.

Officer checked on a subject for the Department of Human Services. The subject was on the ground, but was refusing EMS. He was taken to the hospital. DHS will be following EMS to the hospital.

Caller advised she hit a turtle on Highway 48 and it is now a hazard in the roadway-people are swerving around it.

Officer was out at an unmonitored, uncalled in controlled burn. Officer requested Cumberland Fire to come out. No one will come to the door at the residence.

Verbal warning given for a subject who was speeding.

Wednesday, May 8

Officer was advised of a pit bull that was running

across the road by the hospital and into Kwik Trip lot. Officer was unable to locate the dog.

Officer was advised of a deer that needs to be dispatched, north of 21st Avenue in the west ditch. When Officer arrived the deer was in the ditch and appears to have been dead for quite some time.

Officer was advised of a subject who reported he was beaten up by his nephew. Officer was unable to reach the subject who had been beaten up-he left a message for him.

Officer was advised of an open gate at a gravel pit. He checked and everything appeared to be O.K.

Thursday, May 9

Officer was advised that a checkbook had been left at an area business for approximately two weeks. Officer went to the residence and no one was there. He was able to deliver the wallet to the subject later.

Subject reported that a vehicle parked in front of a business on 'Main Street' in Cumberland had a LED light on its top that is flashing and very bright. When Officer arrived the vehicle was gone.

Friday, May 10

Officer received a call from security at Marshfield Clinic, who advised the housekeeper at the clinic advised of a person outside looking into the window

and trying to get in. Officer was given a description of the subject. Officer located subject and advised him not to be on the property after hours.

OBITUARIES

Craig G. Greener
 Craig Gordon Greener, 71, of Cumberland died Friday, May 10, 2019 at Cumberland Healthcare due to complications from exposure to Agent Orange. He was born October 15, 1947 in Ashland to Victor Gordon and Vada (Hanson) Greener. They moved to the family dairy on Hwy G in 1951 and Craig graduated from Cumberland High School in 1965. He enlisted in the Marine Corps in 1966 and served two years, including one tour in Vietnam. He was married at St. Paul Lutheran Church in Cumberland on September 13, 1969 to Carolyn Lundquist. They ran Sancrai farms until 1993, then Craig became a real estate agent and was partner

in Remax Island City until 2012.
 Craig's impact on his community was significant. He was a 4-H leader, Barron County board member, school board member and a leader in the Cumberland community. Mostly, he put his family above all. Craig loved his family unconditionally and was so proud of his "girls." He loved his wife more than anything and they were partners in life. He was also an avid sports fan whether it was playing golf or watching baseball, wrestling, basketball, football and track.
 He is survived by his loving wife, Carolyn; their girls: Jill (Kevin) Knoke of Hudson, Jana (Jacob) Heinzelmann of Waukesha, Jessica (Matt) Sattler of Canyon, TX; grandchildren: Jack, Ben, Sydney, Trevor, Rudy, Oliver and Simon; sister, Sandra (Glenn) Kolb of Cumberland; foster brother, Gary (Sue) Larson of Rice Lake; other relatives and many friends. Craig was preceded in death by his parents and his granddaughter, Alli Jo Heinzelmann.
 A funeral service was held

on Monday, May 13, 2019 at St. Paul Lutheran Church with Pastor John Miels officiating. Burial was in Lakeside Cemetery in Cumberland.
 Pallbearers were Kevin Knoke, Jacob Heinzelmann, Matt Sattler, Jack Knoke, Ben Knoke, Sydney Heinzelmann. Honorary pallbearers are Trevor Heinzelmann, Rudy Sattler, Oliver Sattler and Simon Sattler. Military honors were accorded by Anderson-Thomson Post #98 American Legion, Cumberland.
 Skinner Funeral Home of Cumberland is serving the family.

Terry W. Wildt
 Terry "TW" Wayne Wildt, age 56, of Barron, passed

away on Tuesday, May 7, 2019 after a year long struggle with cancer at the Sacred Heart Hospital in Eau Claire.
 He was born on April 16, 1963 in Amery to Noel "Richard" and Olivia "Marie" (Ford) Wildt. Terry graduated from Clayton High School in 1981 and then graduated from WITC in Rice Lake with a degree in Marketing. He married the love of his life Susan Leigh Cooley on June 16, 1984 in Deer Park. Terry was the Frozen Foods and Dairy Manager in Becker's Super Valu in Turtle Lake and then Gordy's Grocery Store in Barron. Terry worked in maintenance for a year at the St. Croix Casino in Turtle Lake, and then he worked 26 years at the Cumberland ACE Hardware and retired on April 6, 2019 as Store Manager.
 He enjoyed guns, military history, hardware stores, farm equipment, steam engines, cargo ships, and trains. He loved going to conventions, going to Duluth, MN to the lift bridge, and being with his family and friends. Terry enjoyed

working with his customers and helping them find what they needed.
 He is survived by his wife, Susan Wildt of Barron; two children, Megan Wildt and Brian Wildt, both of Barron; a brother, David (Linda) Wildt of Clayton; two sisters-in-law, Patsy Wildt of Balsam Lake, and ViAnn Kuhn of Amery; stepbrother-in-law, Mylon Magnuson of Clear Lake; a brother-in-law, Jim (Gina) Cooley of Ladysmith; and many nephews, nieces and cousins.
 He was preceded in death by his parents, Noel "Richard" Wildt and Olivia "Marie" Ford Wildt Kuhn; stepfather, Wesley Kuhn; brother, James Wildt; stepbrother, Jerry Kuhn; step-sister, Janet Magnuson; and

brother-in-law, John (Diane) Cooley.
 A celebration of his life will be held this summer. Appleyard's Home for Funerals in Rice Lake is in charge of the arrangements.

Church Directory

"Love One Another"
By: Pastor Todd Ahneman
Augustana Lutheran Church

This coming Sunday, many churches will turn to the gospel text from John, Chapter 13. On the night of the last supper Jesus used the mealtime to mentor the disciples in putting pride aside and serving others in their need. He said: *"So if I, your Lord and Teacher, have washed your feet, you also ought to wash one another's feet. For I have set you an example, that you also should do as I have done to you."* (v. 14, 15) By the way, I do not think it is about feet, but more about the hands we use in service to each other through the love of God.
 That night Jesus gave them a new command: *"I give you a new commandment, that you love one another. Just as I have loved you, you also should love one another. By this everyone will know that you are my disciples, if you have love for one another."* The command to love one another 'just as I have loved you' was the unconditional love demonstrated by Jesus.
 St. Paul tells us in 1 Corinthians 13 that this 'Love is patient and kind. Love is not jealous or boastful or proud or rude. It does not demand its own way. It is not irritable, and it keeps no record of being wronged. It does not rejoice about injustice but rejoices whenever the truth wins out. Love never gives up, never loses faith, is always hopeful, and endures through every circumstance.
 St. Paul spoke of the fruitage of the Spirit, (Galatians 5:22, 23). But seeds of all good fruit flourish because of the love shown by Christ toward us, agape. God's love nourishes us and helps us grow life, and it is why we need the word of God to sink deep into our heart and fill our minds. Through the love of God we can grow and flourish and bear the good fruit in our lives that helps us and others around us. May God bring new growth to us and to the world. Lord let our hearts be good soil.

OBITUARIES...

Linda Rose Dreyer

Linda Rose "L. Dee" Dreyer, 70, of Cumberland died unexpectedly on Tuesday, May 7, 2019 at her home. She was born February 23, 1949 in Barron to Anthony and Rose (Stauner) Klingelhoets, was raised in Barron and graduated from Barron High School in 1967. She was married in Barron on September 3, 1966 to Richard Dreyer. While raising her family, Linda babysat for many neighborhood children, spent some summers at Stokely Foods and later worked at James Pharmacy, Smokey's Pit Stop, and Farr Agency. Linda enjoyed puzzles, writing (she was an often published writer), reading, scrapbooking, needlepoint, quilting, following "Days of Our Lives," Neil Diamond's music, collecting owls, garage sales and caring for her cats.

She is survived by her children: James (Heidi) Dreyer of Cumberland, Debbie Calkins (Mark Loehlein) of Rice Lake, and Tracey Dreyer of Rice Lake; six grandchildren, Jamie, Kelly, Jackson, Darion, Karissa and Taylor Rai; great grandchildren: Chesney and Ethan; special friend, David Gardner of Cumberland; siblings: Rita Forsyth of Denver, CO, Steve Klingelhoets of Barron, Joseph (Pat) Klingelhoets of Mikana, Allen Klingelhoets of Barron, and Arla (Darlin) Falk of Menomonie; her canine companion, Festus; many nieces, nephews, other relatives and many friends. Linda was preceded in death by her husband, Rick; parents; brothers: Thomas and Andrew Klingelhoets.

Funeral services were held at 5:00 PM Sunday at Skinner Funeral Home in Cumberland, Sunday, May 12, 2019.

Skinner Funeral Home of Cumberland is serving the family

Herman F. Rhode Jr.

Herman Fredrick Rhode Jr., 97, returned to his Heavenly home on January 16, 2019. His devotion to his family and his firm belief in the Lord gave him peace throughout his life. Herman was born on March 4, 1921, in Cumberland to Herman Sr. and Martha (Partlow) Rhode.

He is survived by his children: Gene (Peggy) Foley AL, Rocky (Genevieve) Cumberland, Debbie (David) Sparish, Pulaski, WI; eight grandchildren: Adam (Shannon) Rhode, Megan Rhode, Samuel (Kalli) Sparish, Kahla (Justin) Gleiter, Jessica (Dan) Wackerfuss, Erica (fiance' Todd) Rhode, Ashley (Yungco), and Chloe Rhode. Four great grandchildren; Kinzie, Violet, Callen, and Molly.

He was preceded in death by his wife, Mae on July 1, 1997. His second wife, Grace Tosterud, preceded him in death on February 6, 2005. Herman was also preceded in death by his sister, Ruth Williams on May 29, 1996.

A Christian memorial service will be held at 11 AM on Saturday, May 18, 2019 at St. Paul Lutheran Church in Cumberland. Pastor John Miels will be officiating. There will be a lunch following the service. Visitation will begin at 9:30 AM.

Jacqueline A. Collins

Jacqueline Anna Collins, 86, of St. Paul, MN passed away Sunday, May 12, 2019. Jackie was born July 30, 1932 to Elmer and Charlotte Ellingson and was raised in Ashland. She was married to Steve Collins.

Jackie was a talented sewer and knitter; only retiring her knitting needles upon her retirement from her well loved factory work in St. Paul. During her down time, she loved to travel with her husband, visiting various beautiful locations in Canada and her home town of Ashland. Jackie also had a great love for cats; she was known for taking many photos of her furry friends.

Jackie was a kind hearted woman. During her time of working at the Pearson's Candy Co., she would bring home some of the 'rejects' to her grateful children.

She is survived by her husband, Steve Collins; her children, Shelley Kallsen of Apache Junction, AZ, and Harvey Behne of Milledgeville, GA; eight grandchildren: Jeremy, Shannon, Lisa, Amber, Thomas, Christopher, Angel, and Rachel; 13 great grandchildren; one great granddaughter; three sisters: Elizabeth Avery of Cumberland, Dorothy Jean Hartman of Elcentro, CA, and twin sister, Geraldine Hudson of Nixa, MO; nieces, nephews, and many other family and friends. Jackie was preceded in death by her parents, Elmer and Charlotte Ellingson, her sons, Howard and Jeff Behne; and grandson: Herman Sam Behne.

Funeral services will be held at 1 PM on Saturday, May 18, 2019 at Section 10 Free Lutheran Church with Pastor Gary Dorn officiating. There will be a luncheon following the service. Visitation will begin at noon.

Section 10 Free Lutheran Church is located on 10th Street (4.45 mi East) Cumberland, Wisconsin 54829

PUBLIC NOTICES

STATE OF WISCONSIN DEPARTMENT OF NATURAL RESOURCES PUBLIC NOTICE OF INTENT TO REISSUE A WISCONSIN POLLUTANT DISCHARGE ELIMINATION SYSTEM (WPDES) PERMIT No. WI-0035114-07-0 FOR THE COMPLETE PUBLIC NOTICE AND DETAILS GO TO THE WEB LINK: <http://dnr.wi.gov/topic/wastewater/PublicNotices.html>

Permittee: Crystal Lake Sanitary District, 342 18 1/2-19 1/2 Avenue, Comstock, WI 54826

Facility Where Discharge Occurs: Crystal Lake Sanitary District, 1853A Fourth Street, Comstock, WI

Receiving Water and Location: Tributary to Lightning Creek, in the Hay River watershed in the Lower Chippewa River Drainage Basin in Barron County

Brief Facility Description: The Crystal Lake Sanitary District owns and operates a domestic wastewater treatment system that consists of three aerated cells, a lined holding cell and two sand filters. Effluent is authorized to be discharged during the months of April, May, October and November.

Permit Drafter: Michelle Balk, DNR, Spooner Service Center, 810 Maple St, Spooner, WI 54801, (715) 635-4054, michelle.balk@wisconsin.gov

Basin Engineer: Jordan Englebert, DNR, 810 Maple Street, Spooner, WI 54801, (715)635-4053, jordan.Englebert@wisconsin.gov

The Department has tentatively decided that the above specified WPDES permit should be reissued.

Phosphorus Multi-Discharger Variance: The Department has determined that the permittee is eligible for a phosphorus multi-discharger variance (MDV) in accordance with s. 283.16, Wis. Stats. Comments on this determination are requested and additional supporting documentation and data are available upon request.

Persons wishing to comment on or object to the proposed permit action, or to request a public hearing, may write to the Department of Natural Resources at the permit drafter's address. All comments or suggestions received no later than 30 days after the publication date of this public notice will be considered along with other information on file in making a final decision regarding the permit. Anyone providing comments in response to this public notice will receive a notification of the Department's final decision when the permit is issued.

The Department may schedule a public informational hearing if requested by any person and shall schedule an informational hearing if a petition requesting a hearing is received from 5 or more persons or if response to this notice indicates significant public interest pursuant to s. 283.49, Stats. Information on requesting a hearing is at the above web link.

Limitations and conditions which the Department believes adequately protect the receiving water are included in the proposed permit.

Information on file for this permit action, including the draft permit, fact sheet and permit application, may be reviewed on the internet at the above web link or may be inspected and copied at the permit drafter's office during office hours. Information on this permit may also be obtained by calling the permit drafter or by writing to the Department. Reasonable costs (15 cents per page for copies and 7 cents per page for scanning) will be charged for information in the file other than the public notice, permit and fact sheet. Pursuant to the Americans with Disabilities Act, reasonable accommodation, including the provision of informational material in an alternative format, will be made to qualified individuals upon request.

Ordinance 732

An Ordinance Creating Section 9.288 of Chapter 9 of the Municipal Code of the City of Cumberland regarding Electronic Nicotine Delivery Systems and Non-Nicotine Vaping Products, Article I Prohibiting Sale, Purchase, and Possession of Electronic Nicotine Delivery Systems and Non-Nicotine Vapor Products and Devices by Persons under the Age of Eighteen

The Common Council of the City of Cumberland do ordain as follows:

SECTION ONE. Section 9.288 of the Municipal Code of the City of Cumberland is created to read as follows:

The Common Council of the City of Cumberland finds that:

A. Electronic nicotine delivery systems (ENDS) and electronic smoking devices provide an alternative smoking experience to tobacco cigarettes. Electronic smoking devices are not subject to regulation by the Federal Food and Drug Administration (FDA) and have not been proven safe for either users or bystanders. The contents of cartridges vary widely and may contain nicotine, traces of nicotine, carcinogens, formaldehyde, antifreeze and other toxic substances which may pose health risks for users and bystanders. Electronic smoking devices do not produce a gas or vapor but rather a dense visible aerosol of liquid submicron droplets consisting of glycols, nicotine, and other chemicals, some of which are carcinogenic. Packaging does not consistently include health warnings as required for conventional cigarettes and does not provide notice of harmful effects, nicotine concentration levels, or the existence or content levels of toxic substances.

B. Electronic smoking devices have been proven to emit nicotine, ultra-fine particles, volatile organic compounds and other toxins. Inhalation of nicotine is proven to be dangerous to everyone, especially children and pregnant women. Exposure to ultrafine particles are distressing and harmful and may exacerbate respiratory illnesses, such as asthma and may constrict arteries which could trigger a heart attack. The volatile organic compounds, such as formaldehyde and benzene, found in electronic smoking devices aerosols, as well as conventional cigarette smoke, are proven carcinogens. Inhalation of vaporized nicotine in propylene glycol is not FDA approved. Short term exposure to propylene glycol causes eye, throat, and airway irritation and long-term inhalation can result in developing asthma. Some studies show that heating propylene glycol changes its chemical composition, producing small amounts of propylene oxide, a known carcinogen. There are metals in electronic smoking device aerosol, including chromium, nickel and tin nanoparticles.

C. Youth in particular may be more vulnerable to the marketing and appeal of electronic smoking devices and may migrate from these devices to conventional cigarettes and tobacco products. Electronic smoking devices which contain nicotine can create or sustain a nicotine addiction. Nicotine is an addictive and harmful substance. Electronic smoking devices can pose health risks from which minors should be protected. Access to these substances and devices by youth should be restricted.

NOW THEREFORE, the Common Council of the City of Cumberland hereby ordains as follows:

Section 9.288 of the Municipal Code of the City of Cumberland be created to read as follows:

1. **Purpose:** This section is adopted for the purpose of protecting the public health, safety, comfort and general welfare of the people of the City of Cumberland and particularly the health and safety of persons under the age of eighteen.

2. **Definitions:** "Electronic Nicotine Delivery Systems and Non-Nicotine Vapor Products" shall mean:

a. "Electronic Nicotine Delivery Systems (ENDS) and Non-Nicotine Vapor Products" shall mean noncombustible products, that may or may not contain nicotine, that employ a mechanical heating element, battery, electronic circuit, or other mechanism, regardless of shape or size, that can be used to produce a vapor in a solution or other form including but not limited to an electronic cigarette, electronic cigar, electronic cigarillo, electronic pipe, vaporizers, or similar products or devices. "ENDS and Non-Nicotine Vapor Products" shall include any vapor cartridge, solution, or other container, that may or may not contain nicotine, that is intended to be used with an electronic cigarette, electronic cigar, elec-

tronic cigarillo, electronic pipe, vaporizers, or similar products or devices. "ENDS and Non-Nicotine Vapor Products" do not include any products regulated by the United States Food and Drug Administration under Chapter V of the Food, Drug and Cosmetic Act.

3. **Prohibitions:** Sale of Electronic Nicotine Delivery Systems and Non-Nicotine Vapor Products to Minors Prohibited.

a. No person shall sell, give away, loan, borrow, or otherwise dispose of, by vending machine or otherwise, any Electronic Nicotine Delivery System or other Non-Nicotine Vapor Product to any person under the age of eighteen (18) years old.

b. Purchase or possession of Electronic Nicotine Delivery System or other Non-Nicotine Vapor Product by persons under eighteen (18) years of age prohibited.

1. No person under eighteen (18) years of age may falsely represent his or her age for the purpose receiving any Electronic Nicotine Delivery System or other Non-Nicotine Vapor Product.

2. No person under eighteen (18) years of age may purchase, attempt to purchase, or possess any Electronic Nicotine Delivery System or other Non-Nicotine Vapor Product except as follows:

a. A person under eighteen (18) years of age may purchase or possess Electronic Nicotine Delivery System or other Non-Nicotine Vapor Product for the sole purpose of resale in the course of employment during his or her working hours if employed by a retailer. The defenses provided in Wis. Stat. 134.66 (3) (a)-(c) shall also be defenses to prosecution under this ordinance.

Penalties and Violations. Any person who violates provision of this section shall forfeit not less than one hundred dollars or more than three hundred thirteen dollars for each violation.

Severability. Each section, paragraph, sentence, clause, work, and provision of this chapter is severable, and if any such section or provision shall be held unconstitutional or invalid for any reason, such decision(s) shall not affect the remainder of the chapter nor any part thereof other than that affected by such decision.

Section Two. **Effective Date.** This ordinance shall take effect immediately upon passage by the Common Council and publication as provided by law.

Adopted this 7th day of May, 2019.

Ordinance 733

An Ordinance to Create Section 9.135 of the Municipal Code of the City of Cumberland Prohibiting Sexting.

The Common Council of the City of Cumberland do ordain as follows:

SECTION ONE. Section 9.135 of the Municipal Code of the City of Cumberland is created to read as follows:

9.135 Sexting Prohibited.

1. **Definitions:**

a. Nudity means the showing of the human male or female genitals, pubic area, or buttocks with less than a fully opaque covering; or the showing of the female breast with less than a fully opaque covering of any portion thereof below the top of the nipple; or the depiction of covered male genitals in a discernibly turgid state. A mother's breastfeeding of her baby does not under any circumstance constitute "nudity," irrespective of whether or not the nipple is covered during or incidental to feeding.

b. Harmful to minors means any reproduction, imitation, characterization, description, exhibition, presentation, or representation, of whatever kind or form, depicting nudity, sexual conduct, or sexual excitement when it:

1. Predominantly appeals to a prurient, shameful, or morbid interest;

2. Is patently offensive to prevailing standards in adult community as a whole with respect to what is suitable material or conduct for minors; and

3. Taken as a whole, is without serious literary, artistic, political, or scientific value for minors.

c. Minor means any person under the age of 18 years.

2. A minor commits the offense of sexting if he or she knowingly:

a. Uses a computer, or any other device capable of electronic data transmission or distribution, to transmit or distribute to another minor any photograph or video of any person which depicts nudity, as defined above, and is harmful to minors, as defined above.

b. Possesses a photograph or video of any person that was transmitted or distributed by another minor which depicts nudity, as defined above, and is harmful to minors, as defined above. A minor does not violate this paragraph if all of the following apply:

1. The minor did not solicit the photograph or video.

2. The minor took reasonable steps to report the photograph or video to a school or law enforcement official.

3. The minor did not transmit or distribute the photograph or a video to a third party other than a law enforcement official.

c. Uses a computer, or any other device capable of electronic data transmission or distribution, to transmit or distribute to another minor any text, correspondence, or message of a sexual nature when it:

1. Predominantly appeals to a prurient, shameful, or morbid interest;

2. Is patently offensive to prevailing standards in the adult community as a whole with respect to what is suitable material or conduct for minors; and

3. Taken as a whole, is without serious literary, artistic, political, or scientific value for minors.

d. Solicits the transmission or distribution of any text, correspondence, message, photograph, or video from another minor that would itself be prohibited under this section of the Municipal Code.

3. **Penalties and Violations.** Any person who violates provision of this section shall forfeit not less than one hundred dollars or more than three hundred thirteen dollars for each violation.

4. **Severability.** Each section, paragraph, sentence, clause, work, and provision of this chapter is severable, and if any such section or provision shall be held unconstitutional or invalid for any reason, such decision(s) shall not affect the remainder of the chapter nor any part thereof other than that affected by such decision.

Section Two. **Effective Date.** This ordinance shall take effect immediately upon passage by the Common Council and publication as provided by law.

Adopted this 7th day of May, 2019.

PUBLIC NOTICES

Ordinance 731

AN ORDINANCE AMENDING ORDINANCE 708 TO AMEND THE CITY OF CUMBERLAND COMPREHENSIVE PLAN 2017-2037

The City Council of the City of Cumberland, Wisconsin, do ordain as follows:

SECTION ONE. SECTION 7.08 of the Municipal Code of the City of Cumberland is hereby amended to read as follows:

(1) Pursuant to Sections 62.23(2) and 62.23(3) of the Wisconsin Statutes, the City of Cumberland is authorized to prepare, adopt, and amend a comprehensive plan as defined in Sections 66.1001(1)(a) and 66.1001(2) of the Wisconsin Statutes.

(2) Pursuant to Section 66.1001(2)(i) of the Wisconsin Statutes, a comprehensive plan shall be updated no less than once every 10 years.

(3) The City Council of the City of Cumberland, Wisconsin, has adopted and implemented written procedures designed to foster public participation in every state of the preparation of a comprehensive plan as required by Section 66.1001(4) (a) of the Wisconsin Statutes, which included a public hearing as required by Section 66.1001(4)(d) of the Wisconsin Statutes.

(4) The Plan Commission of the City of Cumberland, by a majority vote of the entire Plan Commission recorded in its official minutes, has adopted a resolution recommending to the Common Council the adoption of an updated comprehensive plan capital improvement projects entitled "CITY OF CUMBERLAND COMPREHENSIVE PLAN 2017-2037".

(5) The City Council of the City of Cumberland, Wisconsin, does, by the enactment of this ordinance, formally adopt the updated Transportation and Utility Improvements and the Plans under Health Care in the Utilities and Community Facilities section in "CITY OF CUMBERLAND COMPREHENSIVE PLAN 2017-2037" pursuant to Section 66.1001(4)(c) of the Wisconsin Statutes.

SECTION TWO. Effective Date. This ordinance shall take effect upon passage and publication as provided by law.

PASSED, ADOPTED AND APPROVED this 7th day of May, 2019.

CITY OF CUMBERLAND
Albert B. Skinner, Jr., Mayor

Date Adopted: May 7, 2019
Date Published: May 15, 2019
Effective Date: May 16, 2019

ATTEST:

This ordinance was passed by the Common Council of the City of Cumberland, Barron County, Wisconsin, at a duly noticed and convened regular meeting held on May 7, 2019.

Julie Kessler, Clerk-Treasurer
City of Cumberland

Dated this 7th day of May, 2019.

NOTICE OF PUBLIC HEARING STATE OF WISCONSIN

SS COUNTY OF BARRON Appeal #3813 TO WHOM IT MAY CONCERN:

PUBLIC NOTICE is hereby given to all persons in the County of Barron, Wisconsin, that a public hearing will be held on Monday, June 3, 2019 at 9:00 a.m. in Room 2106 of the Barron County Government Center, Barron, Wisconsin, relative to a proposal for a special exception to the terms of the Barron County Land Use Ordinance as follows:

Requests a special exception to operate a tourist rooming house (allowing short-term rental), in a Recreational-Residential district, property described as part of Govt Lot 1 in 344/12, also shown as GL 1-3, consisting of 1.59 acres, located in Section 8, T35N, R13W, Town of Cumberland, Barron County, Wisconsin.

The Board of Adjustment reserves the right to view the property and may convene in executive session prior to rendering a decision. Contact Zoning Office staff at 715-537-6375 with questions regarding this appeal.

Property owners: Bradley & Nadine Such

NOTICE

Notice is hereby given that the Regular Monthly Meeting of the Cumberland School District Board of Education shall be held at 6:00 p.m. for open session and closed to follow on Monday, May 20, 2019, in the conference room of the administration building.

The following is the proposed agenda:

- 1-4. Elect officers of the board, appointments or volunteers, official newspaper of the district and Board of Education operations.
5. Approve vouchers, receipts and invoices.
6. Recognize delegates, visitors and donations.
7. Consider approval/denial of open enrollment applications for the 2019-20 school year.
8. Consider approval of bank resolution for short term borrowing up to \$1,500,000.
9. Consider approval of Kelli Torrison as Safety Patrol Advisor.
10. Consider approval of Jane Schiebel's resignation as Support Staff due to retirement.
11. Consider approval of Corey Chilson's resignation as Girls' Head Basketball Coach.
12. Consider approval of Tanner Grant's resignation as Middle School Assistant Football Coach.
13. Consider approval of lunch price increase.
14. Hear discussion items and administrator reports.
15. Set meeting dates and events.

Vote on closed session for the purpose of considering employment and compensation and discussing negotiations and performance evaluations per Wisconsin Statute 19.85(1) (c), specifically to discuss 2019 - 2020 employee negotiations. The board will reconvene to open session to adjourn the meeting.

A copy of the agenda is posted in the Elementary School, Middle School, High School, and administration building.

Northwoods Notebook: The quiet time for the arts is ending

By Larry Werner

So much goes dormant in Cumberland over the winter. That applies to the arts and ETC, our umbrella organization for the visual and performing arts whose poetic full name is Enrichment Through Culture.

But as we move into the summer season, activity resumes, and ETC will be offering much for the lover of all manner of art. Get your calendars out and make note of what's happening.

Phil Warner, the elementary-school music teacher, will be directing our annual ETC Children's Theater play. This year it's Peter Pan. Phil is in rehearsals now with our talented young actors, and the Clays — Mike and Paula — have returned from their winter escape to assist Phil with the production.

I dropped off posters last week at local businesses and several people remarked that ETC has a real gem in Phil. He is a talented singer, actor and musician who has the patience to work with the large number of kids who are cast in our children's play.

The performances are June 7, 8 and 9 and 13, 14 and 15 at the Cumberland Arts Center. Tickets are available at Peter & Annie's or can be reserved by calling 715-822-2787. For the kids' play, we have a student price of \$5. Adult tickets are \$10.

And while Phil and the Clays are working on the play, Lisa Barrows and Dave Evenson are organizing our art and craft fair, the 28th annual Celebration of the Arts. Also known to many as "art in the park," the event is from 9 a.m. to 3 p.m. June 8 at Tourist Park, also known as "the beach." It's a day of visiting booths

of artists and crafters and enjoying food and music.

It's free to attend, and the booths are priced very low. If you want to exhibit, call Lisa at 715-822-2439 or email luv2bunny@hotmail.com.

Just a few days after the art fair, on June 11, ETC kicks off our summer concert series at Library Lake with the highly popular gospel/do-wop group Higher Vision. These concerts, known as Island City Music, are free, thanks to local business sponsors. Higher Vision will be sponsored by Cumberland Federal Bank. Food will be served by the Barronett Civic Club from its Little Red Caboose.

These concerts are held from 6 p.m. to 8 p.m. on 10 summer Tuesdays. The school district's kayaks are available for paddling on the lake during the concerts.

As you can see, the arts council, which is celebrating its 29th birthday this year, will be offering much cultural enrichment this summer. We are a non-profit, and our last financial report showed we are far from being profitable.

So think about joining ETC. You can fill out a membership form on our website — cumberlandetc.com — and pay by credit card or paypal. An individual membership is \$25, and it's \$50 for a family.

When I moved here five years ago, I was impressed that a town of 2,000 had an arts council, an arts center and more talent than communities many times our size. The arts are just one more thing that make Cumberland a great place to live, especially in summer.

Larry Werner's email is lwerner47@gmail.com.

Cumberland Senior Gabby Skidmore finished 2nd at US Nationals in Texas this past weekend. The 2nd place finish means Gabby has qualified for Team USA and will be competing in Guatemala in the Pan Am Games to be held on June 6th. She will wrestle at 57 KG. Gabby will be training at the US Olympic Center in Colorado Springs Colorado to prepare for the competition. Great job Gabby and the best of luck moving forward!

Update On Human Bones Found South Of Barron In December 2017

An update has been received from the Barron County Sheriff's Department, regarding the human bones that were found on December 3, 2017, in an area south of Barron on 10th Avenue.

The bones have been sent back from the University of North Texas where DNA profiles were extracted. The following is some of the information returned:

The bones likely be-

long to a male, of European Ancestry, but not excluding Asia decent; the age range is from 35-55; height was 5'10 + or - 4"

The Barron County Sheriff's Department also has forwarded several of the bones and DNA profile to the DNA DOE Project in California for possible additional extractions.

The DNA Doe Project is an exciting new initiative that uses genetic genealogy

to identify John and Jane Does. They have become a go-to organization for law enforcement agencies and medical examiners across the country, helping them solve their most untraceable cases. They have had amazing success even with cases where the DNA was highly degraded or of low quantity. They are an all-volunteer organization that has attracted some of the best genetic genealogists in the in-

dustry, all working towards the common goal of reuniting John and Jane Does with their families.

Also, profiles have been sent to the DNA Solutions Lab in Oklahoma City for a forensic genealogy build.

At this time the Barron County Sheriff's Department is waiting for results in the hope to bring this case

Click it or Ticket!

Cumberland Police Department to mobilize for Click It or Ticket safety belt enforcement from May 20 to June 2

Cumberland Police Department will join hundreds of law enforcement agencies throughout Wisconsin for the annual Click It or Ticket safety belt enforcement campaign from May 20th to June 2nd.

"As we enter another major travel season, we're reminding motorists that wearing a safety belt is the single most effective way to protect themselves and prevent needless tragedies along our roadways," said Chief Rick Rieper.

Currently, Wisconsin's seat belt use rate stands at 89 percent, behind our neighboring states of Minnesota and Michigan that are both over 90 percent. Last year, about half of the car and truck occupants

killed in Wisconsin traffic crashes were not buckled up.

"Our goal is voluntary compliance with traffic laws, not to write citations," Chief Rick Rieper said. "But given a choice, we'd much rather write a ticket than have to knock on someone's door and inform them that a loved one has been killed or seriously injured in a crash. So we're reminding all motorists to buckle up, every seat, and every trip."

This year marks the 10-year anniversary of Wisconsin's primary seat belt law that allows law enforcement to stop and cite motorists for failing to wear a safety belt. In addition, drivers can be cited for every unbuckled passenger in their vehicle. Last year in Wisconsin, there were 50,875 traffic convictions for failure to fasten seat belts.

Graduation Party Alert—Parents Who Host Lose the Most

High school graduation should be a happy time to celebrate the accomplishments of students. Unfortunately it can become a time when bad choices are made. The Barron County Community Coalition wants to remind families that underage drinking and the consequences associated with teen drinking can have dangerous and lasting consequences.

To keep teenagers safe, parents, schools and the community must work together to change the view that reckless teen drinking/partying is normal and okay

if associated with graduation.

Parents can help graduates and their friends remain safe by taking responsibility, getting involved and setting limits. Here are a few tips for parents to keep in mind:

1. Clearly communicate expectations. Although you may have talked many times to your child about your expectations for healthy choices and the consequences of breaking the rules, graduation season is an important time to repeat these messages.

2. Discuss the dangers of

drinking and driving and riding in a car with a drunk driver. Parents who discuss possible scenarios and what to do in a dangerous situation increase the chances of their teen's safe decision-making.

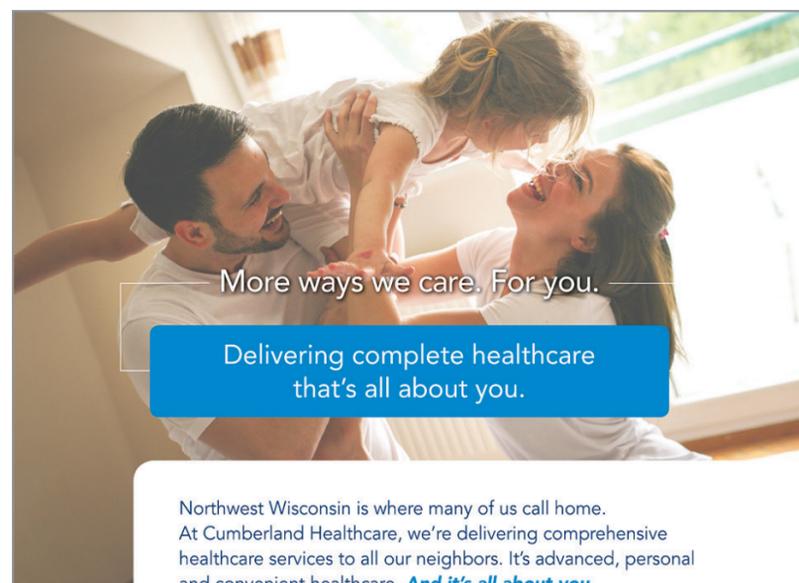

3. Be awake when your teen comes home. A teen's curfew should never exceed the parent's ability to stay up. Tell your child you will be waiting up for them and you can't wait to hear the details about the party they attended.

4. Do not serve or allow alcohol at any party you are hosting. An adult who pro-

vides alcohol to a minor is breaking the law and risking that teen's life. If you host or allow a party at your house where alcohol is consumed by underage guests you could be sued if any harm, injury, or death results from the alcohol consumption.

Looking for help on how to start this conversation with your teens? Visit <https://www.samhsa.gov/underage-drinking/parent-resources> for great tips and resources.
