Year in Review...

Cameron Police Department for approximately one year. DCI is leading this investigation and is assisted by Barron County Sheriff's Office, Rusk County Sheriff's Office, Wisconsin Department of Natural Resources, Wisconsin State Patrol, Minnesota Bureau of Criminal Apprehension, the Federal Bureau of Investigation, Wisconsin State Crime Lab, a DCI Crime Response Specialist, and Cameron Fire Department. All involved law enforcement are fully cooperating with DCI during this investigation. DCI is continuing to review evidence and determine the facts of this incident and will turn over investigative reports to the Barron County District Attorney when the investigation concludes.

The Cumberland Healthcare open house and tours took place last week, with over 1000 community members receiving a tour of the new building. The moves into the new building are happening in phases. Cumberland Healthcare will proudly open its new doors on April 17th, 2023, for all clinical and outpatients, April 18th for inpatients and emergencies, and April 19th for surgery.

The new campus will enhance access to and delivery of healthcare for an expanded regional area, providing crucial local healthcare options for patients. The nearly 100,000 square feet campus boasts state-of-the-art equipment in the lab, radiology, emergency department, and operating room spaces. The clinic will have collaborative spaces (pods) where physicians, specialists, and medical assistants work together. Our imaging department has a new 80-slice CT machine. MRI is a new service we added in-house, allowing our patients access to a rapid turnaround and convenience. The ambulance quarters have three ambulance bays just off the emergency department entrance. The emergency department has a decontamination room for chemical spills, five treatment spaces, a triage room, two large trauma bays, a behavioral health room, and two common treatment spaces. The same-day surgery suite has seven semi-private bays with a GI lab. Two operating suites (over 600 sq. feet) and a minor procedure room exist. All rehabilitation services will be in one location, including speech therapy, occupational therapy, physical therapy, pediatrics, and cardiac rehab. The inpatient medical-surgical space offers 14 private rooms, a family waiting area, a sleep study area, and inpatient rehab. All rooms have an overhead lift system and large windows for a beautiful view of the outdoors.

"We are very excited and proud to have accomplished our goal: to provide our community with a state-of-the-art healthcare campus and keep healthcare services close to home. CEO Mike Gutsch says, "This is an exciting time for our providers, governing board, and staff as it will positively impact the communities we serve and how we deliver healthcare to our patients."

Cumberland Healthcare is an independent, not-for-profit, critical access healthcare facility in your community, providing a full spectrum of services to all ages every step of the way.

Knights of Columbus, Legion Auxiliary and President of the Cumberland Hockey Association. She also volunteers at the Methodist Church, Margaret's Project Santa, and Meals on Wheels. She worked at the Cumberland Hospital for 37 1/2 years as a Registered Nurse, Director of Nursing and was instrumental in planning and designing the Mental Health Unit as Head nurse. In her retirement she co-owned and operated Bistro 63 in Barronett.

May
(3) After an outstanding College career at Lindenwood University, which saw him set several new school records in the receiving category, former Cumberland athlete Payton Rose has received an invite to the Kansas City Chiefs minicamp in May.

Rose excellent career concluded with 1,149 yards and 12 touchdowns last fall. He impressed Chief coaches at a Pro Day held earlier this spring, earning him an invite to the Chiefs minicamp in two weeks.

Lindenwood's Head Coach Jed Stugart said, "Not all players get to participate in a Pro Day, so this was a big accomplishment for Payton." Rose career for the Lions included setting new school marks for the most receptions, receiving yards, and receiving touchdowns.

The Cumberland School Board held its monthly meeting for April last Tuesday night, with the hiring of two new Principals holding a prominent position among the action items.

This was followed by a short overview of the District's search for two new building Principals by Board President, Dr. Eric Stone. He described the 18 applications at the Elementary School and the 14 at the High School as "High quality candidates." The Committee's search eventually led to the names of Abraham Ferguson, from the Elk Mound School System District, and Dan Hopkins as recommendations for approval.

Each received unanimous support for the Elementary and High School positions, as the District moves on from the strong leadership of Jim Richie and Ritchie Narges, who served the community for over 15 years.

(10) Former Cumberland athlete, Mackenzie Johnson, won the Wisconsin Interscholastic Athletic Associations 400-meter dash last weekend, running for UW-Stevens Point in the Outdoor Championships at UW-Whitewater. She won the event with an excellent time of 57.22.

The Junior also ran on the 4x400-meter relay team, which finished second. Her next competition is this coming Friday and Saturday, when she heads to Joliet, Illinois for an Invitational.

The Heart O' North Conference schools proudly recognize the outstanding academic performances of students enrolled in it's member schools. As part of this recognition, school administrators identify three graduating seniors selected for the Academic All- Conference Team each year. The selections are based on cumulative grade point averages, ACT or SAT scores, participation in school activities, organizations, programs, and community service. The students selected for recognition represent an exemplary standard of student achievement, leadership, and co-curricular participation. Representing Cumberland from are Madeline Monchilovich, Siri Hyatt and Autumn Kuijer. Congratulations girls!
