

Third Annual High School To Heroes Banquet Honored 23 Students

It was an evening to honor northern Wisconsin high school seniors who have committed to serving our nation in the U.S. Armed Forces. They were honored with a banquet. The future service members participated in the annual High School to Heroes banquet, held at the Cumberland American Legion on Sunday, April 21st. This year's banquet attracted 23 students from twelve area high schools and 150 people.

All students plus two guests were invited to at-

tend, at no cost thanks to local sponsors. The event included a social hour, dinner, a message by guest speaker, Brigadier General Harold Nevin, Retired, introduction of the honorees, and gift bag presented to each individual.

This banquet is a great way for local communities to show their support to the newest members of the U.S. military. A grateful nation thanks them for their willingness to serve and for their patriotism.

Northwest Wisconsin High School students entering the military were honored at the High School To Heroes Banquet Sunday night at the Cumberland American Legion. Pictured are Back Row: From Left to Right - Olivia Nelson (Cumberland HS), Alec Kramer-Ruff (Chetek-W HS), Levi Hayman (Siren HS), Michael Ferdelman (Spooners HS), Ellianna Smith (Webster HS), Emelia Dewolf (Webster HS), Chris Cihlar (Bruce HS), Maximus Elliott (Shell Lake HS), Diamond Schnacky (Rice Lake HS), Leyton Everson (Cumberland HS). Front Row: Right to Left - Allester Weidner (Rice Lake HS), Nathan Bertsinger (Gilman HS), Nathaniel Hegle (Rice Lake HS), Jack Cusick (Shell Lake HS), Daniel Girard (Spooners HS), Faith Loveland (Prairie Farm HS), Adin Treauge (Webster HS), Brooke Spindler (Prairie Farm HS), Brayden Mohr (Chetek-W HS), David Nutt (Webster HS). Thank You for serving our country! Pictured at right Brigadier General Harold Nevin, Retired was the guest speaker at the Banquet.

Undercover Drug Operation Results in Seizure of over \$15,000 of Methamphetamine

David Anderson

Over the past several weeks, the Barron County Drug Unit worked an undercover drug operation in the county. As a result of

that investigation a subject was taken into custody and a search warrant was served on a residence.

David Anderson, 33 of Rice Lake, was arrested on Friday, April 19, 2024, and a search warrant was served at his residence. Over 211 grams of meth were seized with a street value of over \$15,000 dollars.

Mr. Anderson is being held in the Barron County Jail on charges of Possession with Intent to Deliver Meth and Felony Bail Jumping.

Per Chris Fitzgerald, Barron County Sheriff

Barron County Local Board to Hold Meeting For Emergency Food and Shelter Program to Allocate Funds

Barron County has been awarded Federal funds made available through the US Department of Homeland Security's Federal Emergency Management Agency.

Barron County will receive \$17,393 under Phase 41 Funding to supplement emergency food and shelter programs in the county. A meeting of the Barron

School Board Holds April Meeting; Building Preparation Continues

by Mark R Fuller

The Cumberland School Board held their April Meeting last Tuesday, with numerous personnel actions and referendum updates on the agenda.

Following approval of the Consent Agenda and April Invoices, the Board's first order of business was the approval of a Resolution establishing parameters around which the sale of bonds, not to exceed \$22,950,000 in general obligation promissory notes, can be executed. This is a common occurrence accompanying every bond referendum.

These parameters specify the rate shall not exceed 5 per cent and the repayment will begin semi-annually starting on March 1, 2025. With recent market rates trending upwards, the resolution provides flexibility to allow the District to enter the Bond Market at a time

for best possible outcomes.

As the Board enters into the Bond Market and Securities and Exchange Commission and with many guidelines following as these Bonds enter the District's Fund Account, the Board then passed a Resolution forming relationships with three consultants and experts in their field to help manage the draw schedule of these funds, maximize interest, and create the best investment strategy.

The relationship with The Wisconsin Investment Series Cooperative, created in 1988, will serve as a vehicle for school officials to make sure the investments are secure. Having earned a strong reputation serving over 300 local governments and Wisconsin School Districts, the WISC is in partnership with PMA Financial, a leading provider of financial services currently

serving over 2,400 school districts in eleven states. Their involvement will provide assurance that the process is done within all IRS and State guidelines. The Resolution passed unanimously.

Next on the agenda was an update from Elementary Principal Abraham Ferguson on the 2024 Summer School Courses schedule. It will feature 108 classes, covering everything from swimming lessons to the Foundation Camp, which will run from July 22 to August 2. Classes will be offered from Pre-K through 12th grade. The course schedule was unanimously passed by the Board.

The Board then accepted the resignations of Patty Blaskowski from High School Secretary and Justin Peterson from his Sixth-Grade position. Blaskowski served 26 years with the

District and Peterson 11 as both were praised for their work with the students and help in numerous extracurricular activities.

Hired as new employees were Reid Olson for Middle School Physical Education Teacher, Max Brunner as a Technology Education Teacher, Susan Niggeman as Middle School Assistant Track Coach, and Daniel Henken as Head Football Coach. The Board also confirmed Tanya Majewski as new Middle School Head Track Coach and Tirzah Zipperer, who will become the new Head Middle School Cross Country Coach.

The District Reports began with a brief athletic update from Athletic Director Lorne Majewski, followed by a Referendum Pre-Construction update by Superintendent Dr. Barry Rose.

Compliance Checks Across the County

Over the past couple of weeks, with the assistance of the WI Alcohol and Tobacco Enforcement and through a grant with the Barron County Community Coalition to keep kids safe, the Barron County Sheriff's Department conducted 22 compliance checks across the county on alcohol and tobacco establishments. The purpose of this operation was to check establishments to make sure products are not sold to underage subjects - reducing the accessibility of these products to our youth. WI Alcohol and Tobacco also checked places for any state wide licensing issues.

Out of the 22 locations, 4 businesses failed these checks for county ordinance violations:

1. Village Tobacco Shop, Rice Lake, sold tobacco/THC product to underage subject
2. Stump Lake Liquor, Rice Lake, sold tobacco to underage subject
3. Guilty Vibe, Barron, sold THC vape to underage subject
4. Ben and Maggie's Town Pump, Cameron, served alcohol to underage subject

Also as a result of this joint operation, Ben and Maggie's also did not have a licensed bartender and had illegally obtained alcohol from a non-licensed source on premise and was closed down for the night by WI Alcohol and Tobacco.

Guilty Vibe at the Barron and the Turtle Lake locations were also closed temporarily for inspection and searched by WI Alcohol and Tobacco and substantial amount of product were seized for:

1. Unauthorized transfer of cigarette/tobacco/vape products from one retail to another
2. Un-invoiced tobacco products
3. Obtaining untaxed vapor products from unauthorized source

The Barron County Sheriff's Department, Turtle Lake Police Department, Cameron Police Department, Barron Police Department and WI Alcohol and Tobacco are continuing to investigate these violations. The Following locations passed the alcohol or tobacco checks:

1. Wal-Mart Liquor, Rice Lake
2. Azara Smoke and Vape, Rice
3. Walgreens, Rice Lake
4. Mr. Bobs, Rice Lake
5. Northwoods Market, Rice Lake
6. 3rd Base Bar, Rice Lake
7. Bob and Steve's BP, Cumberland
8. Family Dollar, Cumberland
9. Synergy, Cumberland
10. Synergy, Turtle Lake
11. The Get Go Bar, Turtle Lake
12. Synergy, Almena
13. BP, Cameron
14. B&B Bar, Chetek
15. Sassy's, Chetek
16. Marathon Gas, Chetek
17. Whiskey Way, Chetek
18. Guilty Vibes, Turtle Lake

EMPLOYMENT OPPORTUNITY CUMBERLAND SCHOOL DISTRICT

Elementary School Counselor Posting

Job Title: Full-time Elementary School Counselor

Job Description: The Cumberland School District is seeking an elementary school counselor to provide a comprehensive school counseling program designed to support the academic, social/emotional, and career development of each student. The elementary school counselor must also lead and assist in the implementation of strategies, practices, and initiatives intended to promote a positive school culture that is inclusive and responsive to all members of the school community.

Essential Duties, Responsibilities & Qualifications:

- Support the implementation of the school counseling curriculum and other curriculums designed to promote emotional development of students
- Counsel small groups of students to promote social/emotional development
- Knowledge on implementation of Wisconsin Comprehensive School Counseling Model and the American School Counselor Association model
- Implementation of social-emotional programs and frameworks including PBIS, Bullying, E-MLSS, and trauma-informed care
- Serve as the Site Assessment Coordinator for district and state testing
- Develop and implement programs and services intended to build a healthy school climate for all members of the school community
- Refer students and families to outside agencies and resources
- Develop and implement activities to support the transition of students and families new to the building
- Respond to crisis situations when appropriate

How to Apply: If interested in this position, applications are submitted through the WECAN website: <https://wecan.education.wisc.edu>. Applicants may also mail or email a resume, letter of interest, three letters of recommendation, and copies of transcripts from all attended universities to:

CUMBERLAND BOARD OF EDUCATION MINUTES

Tuesday, March 19, 2024

Regular Board Meeting

Middle School Commons, 6:06 p.m.

Open Session and Closed to Follow.

Present: Board – Hyatt, Rieper, Skinner & Stone
Absent: Gideo
Administration - Rose, Ferguson, Green & Hopkins
President Stone announced that this was a legally and properly noticed meeting.
Pledge of Allegiance was recited.

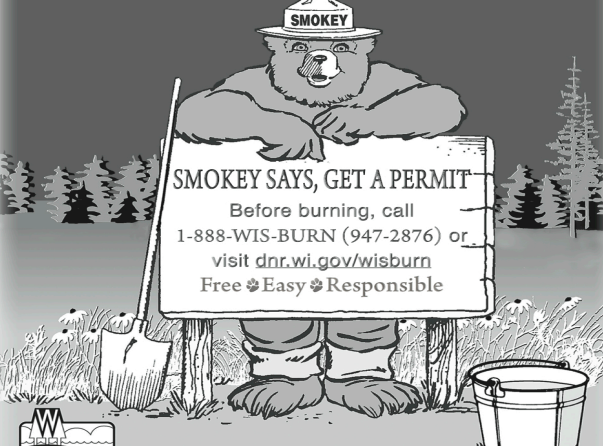

1. Motion was made by Hyatt, seconded by Rieper, to approve items a-e on the Consent Agenda as presented. All voting aye, motion carried.
2. Motion was made by Rieper, seconded by Hyatt, to approve the 2024 – 2025 CESA 11 Shared Services Contract. All voting aye, motion carried.
3. Motion was made by Skinner, seconded by Hyatt, to approve Early College Credit Program for first semester 2024-25 school year. All voting aye, motion carried.
4. Motion was made by Hyatt, seconded by Rieper, to approve the Start College Now Program for first semester 2024-25 school year. All voting aye, motion carried.
5. Motion was made by Hyatt, seconded by Skinner, to approve William McCreary's resignation as Middle School Head Track Coach. All voting aye, motion carried.
6. Motion was made by Rieper, seconded by Skinner, to approve Tony DiSalvo's resignation as High School Head Football Coach. All voting aye, motion carried.
7. Motion was made by Hyatt, seconded by Skinner, to approve Susan O'Connell's resignation as Special Education Aide. All voting aye, motion carried.
8. Motion was made by Skinner, seconded by Rieper, to approve Jason Marten's resignation as Middle School Physical Education Teacher due to retirement. All voting aye, motion carried.
9. Heard various discussion items, administrative reports, and noted meetings/events.
Motion made by Rieper, seconded by Hyatt, to adjourn to closed session. President Stone requested that the clerk conduct a roll call vote to adjourn to a closed session for the purpose of considering employment and compensation, performance evaluations, and discussing negotiations per Wisconsin Statute 19.85(1)(c), specifically to discuss staffing and personnel matters. The board will reconvene to open session to adjourn.
- Motion was made by Skinner, seconded by Rieper, to reconvene to open session to adjourn the meeting. All voting aye, motion carried.
- Having no further business to conduct, motion was made to adjourn by Rieper, seconded by Skinner. All voting aye, motion carried. Meeting was adjourned at 8:29 p.m.

Jennifer Hyatt, District Clerk

April 25th Barron County Retired Educator's Meeting

Barron County Retired Educators will hold their next meeting on Thursday, April 25, 2024. All retired teachers, administrators, and support staff members are invited to join us at First Lutheran Church in Barron, 4 West LaSalle Avenue. We'll begin with a time for visiting at 9:30 a.m. with coffee and treats available, with a "kitty" and suggested donation of \$3.00/person to cover the cost of refreshments. Our program will start at 10:15 a.m. and will feature Tyler Gruetzmacher, Barron County Land Conservationist. Over the past year, Tyler and his department have been involved in testing well water across Barron county. He will share the results of those tests and where we all stand in terms of groundwater quality across Barron County. Members are reminded to bring pennies to help pay off the remaining mortgage at the state WREA office. A short business meeting will follow Tyler's presentation. Make plans to attend. Bring a friend. Remember, our meeting is at First Lutheran Church in Barron.

WISCONSIN DEPT. OF NATURAL RESOURCES DIVISION OF FORESTRY

OBITUARIES

Dorothy M. Topper
Dorothy M. Topper, age 92, a resident of the Town of Chicog, died peacefully at her home surrounded by family on Sunday, April 14, 2024.
Dorothy was born at the family home in Polk County on November 2, 1931, to parents Arthur and Clara (Jeska) Kleinschmidt. On June 4, 1951, she was united in marriage to Frank Topper in Pine City, Minnesota. The couple farmed in the Town of Crystal Lake for many years before retiring to the Town of Chicog in 1977.
Dorothy loved watching

and feeding the birds and also working in her garden growing flowers and vegetables. She would often recruit the grandkids to help her with harvesting the vegetables, and then make the world’s best pickles. She also liked to go fishing, but most of all, she loved to spend time with her grandkids.
Dorothy is survived by her children: Sandy Burdick of Trego, Mick (Patty) of Almena, Terry (Christina) of Prairie Farm, Ronald (Cheryl) of Trego, 9 grandkids, 15 great grandkids, 3 great great grandkids, brothers and sisters: Carl Kleinschmidt, Bernice Sellent, Anna Owens, Jerry Kleinschmidt, David Kleinschmidt, Betty Butzler, and many nieces and nephews.
Dorothy is preceded in death by her parents, husband Frank, son Scott, brothers Howard and Danny Kleinschmidt, and great great grandson Braxton.
Funeral services for Dorothy Topper will be held on Friday, April 26, 2024, at 11am,

at the Spooner Funeral Home with visitation from 10-11am. Interment will follow at the Chicog Cemetery with a social gathering afterwards at the Chicog Town Hall.
Online memories and or condolences may be left at www.bratley-nelsonchapels.com
Lonnie M. Ritter
Lonnie Milton Ritter, 66, of Rice Lake died Wednesday, April 3, 2024. Funeral services will be held at 3 PM Saturday, April 27, 2024, at Skinner Funeral Home in Cumberland. Burial will be in Lakeside Cemetery, Cumberland. Visitation will be from 1-3 PM Saturday, April 27, 2024 at the funeral home.
Alvin “Bud” Rydberg
On February 10, 2024, Alvin “Bud” Rydberg decided to begin a new journey. He peacefully left his earthly body and his spirit is free to begin new adventures. A Celebration of Life will be held from 1-3 PM on Saturday, May 4, 2024, at 110 Corbitt Lane, Shell Lake, WI 54871. Skinner Funeral Home is serving the family.

An Invite to Pray the Word of God; May 2nd

The 2024 Theme Calls America to ‘Light Up’ Our Nation with Prayer.
The National Day of Prayer exists to mobilize unified public prayer for America. The National Day of Prayer is an annual observance held on the first Thursday of May, inviting people of all faiths to pray for the nation. It was created in 1952 by a joint resolution of the United States Congress and signed into law by President Harry S. Truman.
There are two ways to participate at our Wisconsin State Capitol. First by attending the hour outdoor program starting at noon by the steps of the Kings Street Entrance. Second by going inside to the Capitol Prayer Room 411 South where there will be worship and prayer starting at 9 am to 3 pm with a break for noon program.
Because of the faith of many of our founding fathers, public prayer and national days of prayer have a long-standing and significant history in American tradition. The Supreme Court affirmed the right of state legislatures to open their sessions with prayer in Marsh vs. Chambers (1983).
Tens of thousands of events with millions of people will be fervently praying this year’s theme, **Lift Up the Word-Light Up the World** based on 2 Samuel 22:29-31.
LIFT UP THE WORD. We must stand firm and confront evil head-on while being billed with faith, abiding in Him and His Word abiding in our hearts. Clothed in the full armor of God, we must pray and stand.
LIGHT UP THE WORLD. We are called to be a bright, shining light, exposing and dispelling the darkness? It’s time to run to the frontlines and reclaim all the ground the enemy has stolen in every area of influence, both in American and around the world.
“Some may say the world is getting darker,” said National Day of Prayer Task Force President, Kathy Branzell. “But as long as God’s people are reading and relying on the Word, believing and living His Word, praying and practicing His Word, the world is full of light that exposes and dispels the darkness. The world will get better and brighter if we commit to live out this year’s National Day of Prayer theme, Lift Up the Word, Light UP the World.”
You are invited to watch the **2024 national Day of Prayer Broadcast** on Thursday evening, May 2nd, at 7 pm, Central time. This year, NDP President Kathy Branzell will host the event alongside Co-Host A.R. Bernard. Check local listings on GodTV or Daystar or National Day of Prayer on Facebook or visit www.nationaldayofprayer.org to watch live.
United Methodist Church in Rice Lake at 6:30 pm.
Four Square Church in Barron from 12 pm - 1pm.
Northern Lakes in Cumberland from 7 am - 8am, Light refreshments served. Families welcome.
Cumberland Baptist Church at 6 pm - 7pm. All welcome!

Church Directory

“Christ Alone Clears and Cleanses”
by Pastor Jared Andrea
Cumberland Baptist Church

“Can mortal man be in the right before God?
Can a man be pure before his Maker?” (Job 4:17)
These questions are part of Eliphaz’s response to Job’s sorrow-filled words spoken out of great suffering which God had allowed in his life. My purpose, however, is not to look at how these questions are used by Eliphaz in response to Job. I simply want to say two things and expand on the second: 1) The Bible reveals that the answer to both of these questions is “Yes.” 2) The “Yes” is qualified: Yes, but only by faith in Christ.
All people, in and of themselves, are unrighteous. We are sinners. Sinners sin. Sin makes us both guilty and unclean before God. If we can be made righteous and pure before God, then God must do it. We cannot clear our own guilt or cleanse ourselves from sin. God has indeed done something about it. He sent His own Son Jesus Christ into the world. Jesus, the eternal and sinless Son of God was born into this world in order to die for the sins of His people (i.e. those that trust in Him). They once stood guilty before God and deserved death (the penalty for our sin). But Christ willingly took their sin upon Himself and, by doing so, also took their death sentence. On the cross, Jesus, the Righteous One, died for the unrighteous. The sins of His people were “transferred” to Christ and God the Father punished Him because He bore their sins. Jesus’ perfect righteousness was also “transferred” to His people. He not only died for His peoples’ sins, but He also perfectly obeyed the Father for their sake. His perfect righteousness becomes theirs by faith in Him. Those that trust in Christ are declared righteous before God. They are...in the right before God.
Sinners also must be purified from their sin to stand in God’s presence. To paraphrase John Owen: “The guilt of sin is not the only problem, but also the defilement of sin.” Only those that are pure can be in God’s presence and only those that trust in Jesus are made pure, being cleansed by His blood. “What can wash away my sin? Nothing but the blood of Jesus...”
Do you trust in Christ? He is the only way you can be in the right before God; He is the only way you can be pure before your Maker.

Embrace Brings Awareness to Missing and Murdered Indigenous Women and Relatives

Unknown. Due to cases going unreported and racial data on missing persons being poorly tracked, the actual number of missing and murdered Indigenous women and relatives (MMIWR) across the United States is unknown.

Even being underreported, the National Crime Information Center had over 5,487 missing Indigenous women and girls reported in 2022, of those 75 percent were minors.

American Indian women face murder rates that are more than 10 times the national average. Homicide is the third leading cause of death among those ages one to 19 for American Indian and Alaska Native women according to the Centers for Disease Control. These aren't just numbers; they're mothers, sisters, and daughters.

Historically excluded populations are at the greatest risk to experience sexual violence. Indigenous people are twice as likely to experience sexual violence compared to other races. 96% of Indigenous people who identify as female experience violence at the hands of non-Indigenous people.

According to Waking Women's Healing Insti-

tute, "This is a historical issue rooted in racism, gender based violence, and settler colonialism. Since first contact in the so called Americas, settler colonials have raped, murdered, and trafficked Indigenous women and girls. This violence is still happening today due to lack of data, jurisdictional confusion, and the intentional silencing of Indigenous peoples. Indigenous grassroots advocates are working to change that narrative and are rising up to fight for the missing, murdered, and those yet to be born."

The pervasiveness of this injustice represents a dire need to (1) address the systemic barriers that allow this horrific reality to persist and (2) amplify the voices of MMIWR advocates and families that work tirelessly to share their stories, demanding justice and the restoration of safety.

Since 2021, May 5th is recognized as a National Day of Awareness for Missing and Murdered Women and Relatives. The congressional resolution to designate May 5th as a national awareness day was first introduced in 2017 in memory of Hanna Har-

ris (Northern Cheyenne) who was murdered in July 2013.

You can get involved on May 5th by sharing a photo of yourself on social media wearing red and/or traditional attire and having a conversation with your community about MMIWR. Red is the official color of the #MMIWR campaign because in various tribes, it is known to be the only color spirits can see. It is hoped that by wearing red, the missing spirits of the women and children will be called back home. Make sure to use hashtags #NoMoreStolenSisters, #MMIWG, and #MMIWR when you share on social media.

Waking Women Healing Institute proudly launched a Story Map Project for Healing and Justice for MMIWR in 2021. This is the first of many that will form a collection of interactive Story Maps to uplift voice and ignite healing for those impacted by MMIWR. Please visit <https://www.wakingwomenhealingint.org/> to learn more about the violence indigenous people have and continue to experience in the U.S. today.

Barronett News

By Judy Pieper

Happy Earth Day!! One of the reasons I have always been proud to claim Wisconsin as my home is because of Gaylord Nelson. I'm ancient, and I can't remember a time when he was not someone that we looked up to – especially in this area, as he was from Clear Lake. It's hard to believe, isn't it, that someone raised in one of our very small towns would go on to be the driving force for getting people to realize that we have to take better care of the environment. We all owe him a debt of gratitude.

Alec Adams, owner of Amery Auto Salvage, has been hosting an open house and customer appreciation day on Earth Day for the past few years. Duane and I usually take advantage of that to get rid of some of the junk we have accumulated over the year. The fact that he also has great food catered in doesn't hurt at all. Duane is so impressed with how clean and organized Alec's salvage yard is – I on the other hand didn't know that there was a difference in them. (I don't go to salvage yards very often.)

Pat Olson and her son, John, took a trip to Boonville and Clinton, Missouri this past week to visit relatives and see a brand-new baby. Kenny and Cathy Adams have a new grandson, Braxton. Pat said that he is (like all babies) absolutely adorable. Proud dad and mom, Rashad and Kelsey, and little Braxton are all doing great, and we are happy to welcome their new little bundle of joy into the family.

Of course, while they were in Missouri, Pat and John also visited with Jay

and Marcia Olson. Pat said they had a great trip, did a lot of visiting, and were very happy to be home again to get a little rest.

Donna Anderson is home again after having surgery at Oak Leaf in Eau Claire. She will be going for physical therapy for a while, but she is happy to be back in Shell Lake where she can relax, be at home, and enjoy watching her cat play.

We had our birthday "waffles and ice cream" breakfast on Sunday morning. We had a bunch of birthdays in April, so instead of having one breakfast for each of the birthday people, we combined them into one big gathering. The month starts out with Kane Thon's birthday on the 3rd, Kandice Thon on the 9th, Elody Hines on the 22nd, Jeremy Olson on the 29th, and Lynn Thon on the 30th. Our family has gotten so big that we have more than one birthday most months, and combining them worked so well this time, that we decided to do that every month.

We hung our hummingbird feeders up on Thursday. We usually don't put them up until Mothers' Day, but it's been so warm this year that I thought, maybe, they will come up early. I haven't put them up at the treehouse yet, but if they show up here, I will get them up there right away. We love sitting outside on warm mornings, drinking coffee, and watching the little things dart in and out of the gazebo. They are a little shy first thing in the spring, but by the middle of summer they come so close to us that we could (almost) touch them. Oh, in case you

don't know, the recipe for hummingbird food is one cup of sugar to four cups of water. Bring it to a boil and let it cool down before you put it in the feeders. It's so cheap and easy to make – there is no reason to buy the pre-made stuff.

We haven't put the oriole feeder out yet, but I think I will do that this week. One year, it was probably during the covid thing, I made grape jelly for the orioles. It's easy to do, just use sugar-free grape juice and then follow the directions on the Sur-Jel package. I can't imagine why grape jelly was scarce back then, but I guess everything was hard to get during the pandemic. We seem to be blessed (?) with a pandemic every hundred years or so – I wonder what 2120 will bring. Hmmm – I don't think I will have to worry about that.

I just heard from Pat Olson that Zion Lutheran in Turtle Lake is having a yard (or garage or what-ever) sale on Friday and Saturday this week. I forgot to ask what it is that they raise the money for, but does it really matter? We know it is for a good cause, and church garage sales are always fun to go to.

I guess that's about all I know from Barronett this week. Have a wonderful week, and I will see you next time.

SENIOR DINING

Thursday, April 25

Swedish meatballs with gravy over egg noodles, mixed vegetables, dinner roll, assorted fruit pie.

Friday, April 26

Baked chicken, cheesy hash browns, peas and carrots, assorted bread, pumpkin cake.

Monday, March 29

(No reservation needed for Soup & Salad Bar days on the 1st and 3rd Tuesday of the month served 11:30 am - 12:30 pm.) The Senior Center is located at 1255 Webb St.

Senior News

By Gloria Lindeman

We held our election Tuesday for the board. Here are the results. Officers are Dave Husby president, Gloria Lindeman vice-president, Cher Myer Secretary, Katherine Husby treasurer.

The five directors are Linda Bavier, Pat Oleson, Kathy Mason, Carol Helbig, and Tom Hodgson.

Thanks to all of you who took the time to participate in our proceedings. Unfortunately, everyone was not elected but we thank you for your past services to our board.

Our first meeting with the new board will be May 1st at 9:30 am. Everyone

is welcome to sit in at our meetings.

Mark your calendars for April 27th for our annual flea market and Garage Sale. It will start at 9am till 2pm. If you would like to donate to our garage sale you can bring things in any time before the sale. Also Friday the 26th at 1 pm we will be setting up the tables so all the people that rented them can bring your things in at that time.. Call me with any questions you might have my number is 715-822-8241.

See you at our center. Stay well.

Academic All Conference!

Pictured from left to right are Jacob Schradle, Omalley Thompson and Ben Cunningham. Congratulations!

Heart O’ North Academic All-Conference Students Named

The Heart O’ North Conference schools proudly recognize the outstanding academic performances of students enrolled in its member schools. As part of this recognition, school administrators identify three graduating seniors selected for the Academic All-Conference Honors each year. The selections are based on cumulative grade point average, ACT scores, participation in school-sponsored activities, leadership, and volunteerism. The students selected for recognition represent an exemplary standard of student achievement.

The 2024 recipients are Ben Cunningham, son of Bryan and Ben Cunningham. Jacob Schradle, son of Patrick and Shannon Schradle. OMalley Thompson, daughter of Jonathan Thompson and Kristy Thompson.

Chilly Day!

Cumberland foreign exchange student Emma Buda moves upfield during the co-op girls 0-0 tie vs Eau Claire North last week at Endeavor Stadium. Photo by Allely Trevino.

Jasmine Woodley plays excellent defense and helped to shut down Eau Claire North last week at Endeavor Stadium. Photo by Allely Trevino.

Golf Team Defeats Barron Loses To Northwestern

The Cumberland Golf Team defeated Barron 182 to 228 on Thursday on their home course. The team will be extremely busy this week, having played Cameron on Tuesday, before participating at the Barron Invitational on Wednesday and finishing things up with the Bloomer Invitational on Thursday, beginning at 11:00 am.

Coach Mike Gideo received solid play from his entire roster in the victory over the Bears. Derrick Gideo and Shae Longtine tied for medalist honors with 43s, while Alex Efertz scored a 46 and Brody Chartraw a 50. “It was not ideal weather, but the kids stayed focused and put together a nice team victory,” said Coach Gideo.

The Cumberland Golf Team traveled to Northwestern on Monday night, dropping a 194 to 187 match to the Tigers. Derrick Gideo and Brody Chartraw led the Beavers with identical 46s, while Shae Longtine shot a 49.

On the JV side, Landon Haley shot a 55 and Davis Ristow a 66. “Both boys are showing solid improvement,” said Head Coach Mike Gideo.

Girl’s Soccer Team Picks up Win and Two Ties

The Barron-Cumberland-Bloomer Girl’s Soccer Team was busy last week, as they picked up a win and two ties against strong opposition.

Things began last Monday with a trip to Superior and a 3-1 victory over the Spartans. The game remained scoreless until intermission. Superior then broke the tie with a goal early in the second half, but the Barron-Cumberland-Bloomer squad responded with three goals of their own, taking the road victory.

Kasey Stauner had all three of the victor’s scores. “The coaches were extremely proud of how well the team played against the talented, physical Superior team,” said Head Coach Sarah Stauner.

The remainder of the week found ties against Eau Claire North and Washburn. Eau Claire North traveled to Endeavor Stadium last Tuesday, where the two teams played to a scoreless 0-0 score in cold and rainy conditions. The defense, including Cumberland’s Jasmine Woodley, was superb in the contest as was goal-tender Rayna Hauck.

Thursday’s contest against Washburn ended in a 1-1 tie. Coach Stauner again praised the defense with, “An impressive night against an aggressive offense from Washburn. We have a defense our opponents don’t want to see.”

Barron-Cumberland-Bloomer scored their only goal late in the contest, when Baylee Shatley scored her first tally of the season.

The team has home contests against Osceola and Amery in Barron this week, with Thursday’s game starting at 7:00 pm and Friday’s at 5:00 pm.

An Excellent Youth Turkey Hunt

Hello friends,
This week's column is chalk full of interesting experiences, so I have to be vague, if you know what I mean. Carsyn and Conner Thiede are the 13- and 11-year-old children of Tyler and Patsy Thiede of Mayville. I met this family through my very good friend the late Rod Bensley and we have become very good friends and do at least one deer hunt and one turkey hunt together in the Burnett area at what is called The Foul Mouth Hunt Club. Each hunt, I switch kids and have witnessed them shoot deer and turkey.

Justin "Beamer" Braun is part of this group and one of Tyler's lifelong friends from growing up in the Burnett area, and Justin is very good at helping people to harvest turkey.

Chad Reifschneider is also a part of this gang and this weekend his children Kensie and Joey would be hunting as well with Chad and Tanner Weber.

To close out our gang we would have Jim Klug and his 8-year-old son Jameson. Jim grew up with Beamer and Tyler, is now a fire chief in Greely, Colorado and came home to introduce his son to hunting and see his buddies. Jim and Jameson would be guided by Beamer.

**Friday, April 12th
High 66, low 40**

I would like to add that since getting to know these guys Chad and Tyler and their children they have become very active in The Dodge County Chapter of KAMO. So today I arrived at "The Lodge" and there is an immediate problem. The land I was going to take Conner hunting is no longer available. I had to do some hard thinking and came up with Jeff Pausma. Jeff and his wife Melissa are local dairy farmers. I had never met Jeff, but he reads this column and when Michelle passed away he contacted me and said some very nice things. I just happened to put Jeff in my phone, made a call and just like that we had the green light.

Conner, Tyler and I headed over to the Pausma farm which I fell in love with as soon as I saw it, Jeff

gave us the tour and all was perfect in our world.

**Saturday, April 13th
High 59, low 31**

Our morning started off at camp with a very tired Tyler. Fourteen-year-old Joey Reifschneider and Tanner Weber would be hunting public land near Beaver Dam and these guys would see 13 toms but they were on private land.

Tyler and Carsyn would have lots of deer experiences while hunting private land adjacent to the Horicon Marsh. Jim, Jameson and Beamer would have an excellent hunt as they all realized that Jameson loves to hunt.

The afternoon hunt was where big memories were made. Beamer did an excellent job calling in a beautiful tom and Jameson whacked his first bird and without a doubt, a hunter was born. Conner and I had moved our setup to where I thought the birds had roosted the night before and had hundreds of amazing experiences watching ducks and geese.

With 30 minutes of legal hunting left I heard a bird fly into its roost, the problem was it was on private land and we were hunting a marshy pasture, no problem, we would get one in the morning. Over the next 15 minutes we watched 13 hens and toms fly into trees 25 to 40 yards away.

Our luck switched, a hen appeared as it had crossed the marsh, we could not shoot it, but it was fun to watch. I kept working the call, there were 6 minutes left to hunt. A very large tom made a mistake and came on our side of the fence but out of range. The hen flew up to the roost, the tom was furious with my jake decoy, four minutes left, he got in range, Conner made an excellent shot and whacked a humongous turkey.

Tyler had made a bet hours earlier with me that if I did not get my hunter a turkey both my hunter and I would have to jump into a very cold stream. Tyler and Carsyn would go swimming not Mark and Conner!

Sunset

The swimming team of Tyler Thiede and his daughter Carsyn Thiede.

Successful hunters Justin "Beamer" Braun, Jameson Klug, and his father Jim Klug.

Track Team Runs at Cameron, Home Meet This Thursday at 4:00 PM

The Cumberland Track Team participated in an outdoor meet at Cameron last Thursday and after running in Webster on Monday, are back into competition this Thursday, when they host a home meet at the Cumberland track.

Five teams competed in Cameron, with the Cumberland boys finishing second and the Girl's Team fourth. The home team Comets were the overall winners in both competitions.

Coach Ryan O'Connell received firsts from Gavin Gores in both the 200 (24.25) and high jump (5-08), Josh Swint in the 3200 (10:54), Jacob Schradle in both the 110 hurdles (19:52) and 300-meter hurdles (45.84), and Ben Cunningham in the discus (129-05). Schradle's victory in the 300-meter hurdles was almost four seconds faster than second place.

Second place finishes came from Tommy Dettinger in the 3200 (11:21), the 4x200 meter relay team (Gores, West, Bergham-

mer, and Hornstein), and Chayden Berghammer in the long jump (18-03).

Freshman Bryce McNulty also had a nice day for Coach O'Connell with a third in the 110-hurdles, a fourth in the 300 hurdles, and a ninth in the 200-meter dash.

The Girl's Team did not have any first-place finishes, but did get seconds from Andie Otto in the 110-hurdles (17:43), triple jump (31-00) and long jump (15-07) and from the 4x200 meter relay team comprised of Anna Krufft, Kaylee Jackson, Miah Mendoza, and Mya Gardner. The team also got third place finishes from Carly McCreary in the 800-meter run and 1600-meters, both the 4x100 and 4x800 meter relay teams, and Otto in the 400-meter dash.

Joining Cumberland at Thursday's home meet is Chetek-Weyerhaeuser, Hayward and Cameron. Next Monday, the team heads to Barron for another four-team HON Meet.

Baseball Team Picks up Three Victories; Record Moves to 7 and 3

The Cumberland Baseball Team put together two big Conference home victories last week, defeating Northwestern 14-11 and Barron 8-5, to raise their overall mark to 6 and 3 on the season.

Thursday’s victory against Northwestern was a high scoring affair with the two teams combining for 23 hits. Trailing 11-7, the Beavers scored five times in the bottom of the fifth inning to take a 12-11 lead and added two insurance runs in the sixth for the victory.

Landon Wickstrom and Uriah Johnson both had big days at the plate for Coach Joe Waite with three hits each. Wickstrom’s evening included a pair of doubles. Gavin Prinsen added two hits and four runs-batted-in for another successful night at the plate.

Wickstrom also pitched two scoreless innings in the contest for the save. Nathan Schmidt took the pitching victory with one inning of relief. Both team’s pitchers walked nine batters in the contest, helping make for a big offensive night for both teams.

The Beavers also picked up a victory on Friday, this time by an 8-5 score over Barron.

Sloan McCreary went

three innings to take the pitching win, while Ryan Lundmark had a big night with three hits and a pair of RBI’s. Gavin Prinsen added two hits, as the Beavers stole six bases in the contest.

This week, the Beavers played Ashland on Tuesday, before hosting Spooner for a doubleheader this Friday beginning at 3:00 pm.

The Cumberland Beaver Baseball Team pulled out another game from behind, as they defeated Chetek-Weyerhaeuser 5-3 in Chetek on Monday night.

Trailing 3-2 going into their last at-bat, the Beavers scored three times to take a two-run victory. Troy Majewski and Uriah Johnson had the innings biggest hits as the Beavers raised their record to 7 and 3 on the season. Majewski had a nice night at the plate with three hits, while Johnson added two hits and a pair of runs-batted-in. Landon Wickstrom also had two hits for Coach Joe Waite.

Nathan Schmidt took the pitching victory, while Connor Schramski entered the game on the mound in the bottom of the 7th to pick up the save. The Beavers also played errorless ball behind the three Cumberland pitchers.

Softball Team Falls to Talented Pitching in Pair of Losses

The Cumberland Softball Team dropped a 9-1 decision to Northwestern and a 9-7 contest to Barron last week, as pitching was the difference maker in the two outcomes. “Northwestern has the best pitcher in the HON and Barron’s pitcher was also very good,” said Head Coach Jessica Olson about the two losses. The two girls combined to strikeout 28 Cumberland hitters over the two contests.

Cumberland could only manage two hits, from Jayme Bayerle and Kelsey Reidy, in the loss to the Tigers. “We couldn’t put anything together offensively,” said Coach Olson. Morgan Monchilovich took the pitching loss, striking out eight batters, while walking eight and allowing seven hits.

Friday’s loss to Barron came in cold, snowy weather. The Red and White were ahead 5-4 after five innings,

but saw Barron rally with a five-run sixth to secure the comeback win. “Barron used a strong bunting game, something we weren’t able to execute, during their victory,” concluded Coach Olson.

Cumberland received hits from six different players in the loss, including two safeties from Kaelee McLemore and a triple from Baleigh Stouffer. Macy Beecroft, meanwhile, had a single and two stolen bases during the game. Unfortunately, 15 strikeouts by Cumberland hitters helped lead to the close 9-7 defeat.

A two-game Tournament scheduled in Boyceville last Saturday was postponed due to the weather.

The team was back in action against Chetek-Weyerhaeuser and Ashland on Monday and Tuesday and are scheduled to play a doubleheader in Spooner this Friday, beginning at 4:00 pm.

Honors Continue to Come in for Gavin Gores

Cumberland Junior Gavin Gores continues to receive honors following his basketball season in which he averaged 28.6 points, 13.1 rebounds and 2.1 assists per game.

Gores was recently named Honorable Mention on the

AP All-State Team as well as being picked on the Second Team All-Northwest squad. Currently being recruited by several D1 colleges, Gores is already the leading scorer in Cumberland Basketball history.

Gavin Gores

Nice Play!

Beaver third baseman Landon Wickstrom makes a nice play on a ground ball to get an out in the Beavers win over Northwestern at Islander Park.

Beaver second baseman Nathan Schmidt fires to first for an out in the boys big HON win over Northwestern.

Alora Garibaldi gets a lead off second base Monday night vs Chetek/Weyerhaeuser.

by Paul Bucher, Editor

Thank you to Louie Muench and Dean Bergstrom who are both ending long terms serving the city. Louie’s is stepping down after over 30 years on the Cumberland Municipal Utility Board and dean is retiring after 24 years at the Utility, six as Manager. I hope you both have a little more time to do what makes you happy! Thanks again! If you get a chance, swing by City Hall this Thursday, from 1pm to 3pm to help Dean celebrate.

-0-

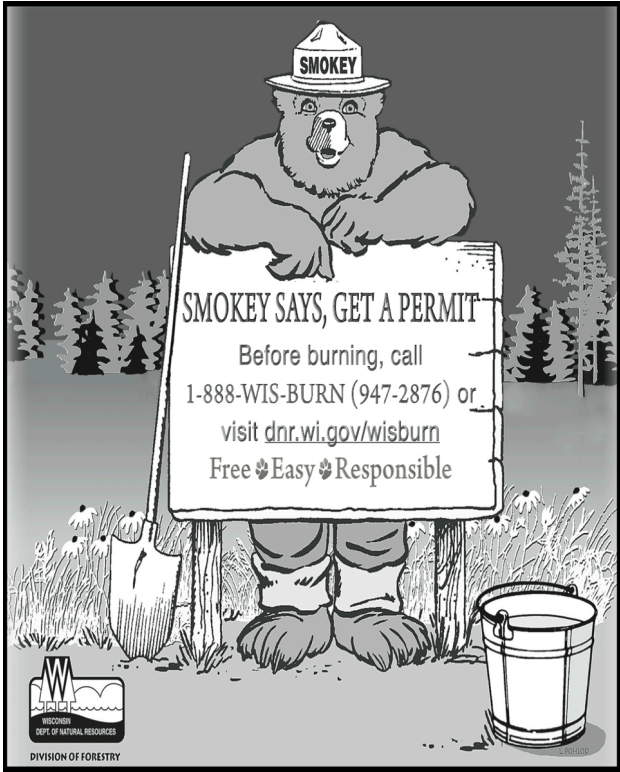

The annual High School prom takes place this Saturday night. I can kind of remember my prom. Getting all dressed up, taking pictures at both houses, going out for dinner and of course the prom dance itself. I hope the kids have a fun and safe night. The restaurants will be packed that is for sure!

-0-

There has been quite a lot of talk lately of exactly how old the City of Cumberland actually is. The Centennial was celebrated in 1974 which would make Cumberland 150 years old this year. Some are wanting to celebrate but can’t nail down for sure how old Cumberland actually is and how 1874 became “The Year” Cumberland was established. Our history guru here at the Advocate Mark Fuller, stated some settlers started arriving in the early 1870’s. In 1880 Cumberland had around 240 residents. In 1881, Cumberland was incorporated as a village and in 1885 was incorporated as a city. The first records kept at “City Hall” were from 1885. More research is being done to see if we can’t nail down a more accurate date. If someone out there has information on this, feel free to drop me a note!

-0-

Well I turned off my outdoor wood boiler on Monday night. I figured six months of burning is enough! I’m sure it will turn cold for sure now! Murphy’s Law. Anyway, hopefully we can get a few nice days soon. Seems it is windy everyday. I know it’s spring, but it seems the wind has been more prevalent for the past several years. I know one thing for sure if it’s not windy, all I have to do is hook up the boat and it starts to blow! Have a great week!

Inside Wisconsin by Tom Still

“Fusion energy is a nascent ‘hot spot’ for Wisconsin economy”

MILWAUKEE, Wis. – Even a casual observer of the Wisconsin economy can name some nationally prominent sectors, such as manufacturing, agriculture and tourism. Others can go deeper and list medical and scientific instruments, health information software, paper, plastics and parts produced for the automotive industry.

Not many would mention a budding, longer-range contender for that list: fusion energy and its supply chain.

Still years if not decades away from powering a cleaner economy, fusion is a nuclear reaction that occurs when two or more small atomic nuclei (think hydrogen and helium) join to form a larger nucleus. This energy-releasing process occurs naturally in the sun and other stars. Scientists have theorized how to harness fusion for nearly 100 years and made steady progress since, but the first controlled experiment to create more energy than it used didn’t occur until December 2022.

That “break-even” experiment, which in how scientists refer to energy input versus output, more than broke even. It

was a sizable, short-lived energy gain led by U.S. scientists that proved hot fusion plasma – which is partially ionized gas – can be confined to create fusion conditions.

Now, the race is on. There are 43 known fusion companies worldwide and 25 in the United States, with three in Wisconsin: Realta Fusion, Type One Energy and SHINE Technologies, each in different stages of development. Worldwide, about \$6 billion in private investment has gone into 30 fusion startups in the past five years, not to mention major public investments in many countries.

One significant Wisconsin advantage is the brainpower it has produced over time in fusion research, which helps to explain why three of those 25 U.S. startups are in the state and why others could emerge or be attracted here.

The UW-Madison’s Fusion Technology Institute lists 167 Ph.D. graduates and is the largest program in the United States for advanced degrees in fusion engineering. Since 1965, the university has produced more than 400 graduates overall in fields such as

plasma experimental, plasma theory and fusion technology.

“I came to Madison because of its nuclear energy programs,” said Oliver Schmitz, a German native who is the associate dean of research innovation in the UW-Madison College of Engineering. “Whenever I travel to fusion events elsewhere, it seems like 80% of the participants are UW-Madison graduates.”

Schmitz spoke Tuesday to the Wisconsin Technology Council, not to predict commercial fusion is just around the corner, but to emphasize the state has competitive advantages that should be levered soon to build a more robust industry. He listed:

Building on existing strengths in manufacturing, as most fusion generators are massive machines;

Tapping into the state’s world-class expertise in advanced data controls;

Repurposing current electric generation sites such as coal plants to take advantage of existing transmission grid infrastructure;

Gearing up education programs in technical colleges, four-year col-

leges and other trade schools for jobs that will be created.

Another prime area is materials development, as the fusion generators of the future must withstand constant neutron bombardment from within to hold up over time. Again, that’s an area where existing Wisconsin firms and researchers can contribute.

Estimates of the size of the nuclear fusion market vary, but most analysts predict steady if not sharp growth as the world searches for clean energy options. Private investment in the fusion market may not pour into commercial facilities right away because they’re too many years away. But dollars may be attracted to “supply chain” investments and other staged commercial investments, which has been the approach followed by SHINE Technologies in Janesville.

Can Wisconsin make a modest investment in an industry that already has a foothold and a history in the state? Patience will be required, but the payoff could be enormous.

Still is president of the Wisconsin Technology Council. He can be reached at tstill@wisconsinstechnologycouncil.com.

A Look Back

10 Years Ago April 30, 2014

At the annual Cumberland Chamber of Commerce banquet, held Tuesday, April 22, 2014, Paul Nelson was pleased to announce this year’s Citizens of the Year. Bob and Pat Skinner.

The famous Brat Haus at Louie’s Finer Meats is once again open. Every April through October weekend for the past 14 years, Louie’s Brat Haus has been manned by a non-profit or charitable group from this area. Not only do the organizations gain recognition for their cause, funds are raised each weekend for that group. Over 600 various organizations have taken part in the Brat Haus project.

20 Years Ago April 28, 2004

Lowell Dague, manager of Noah Insurance Group’s Cumberland location, announced the addition of Chris Tornio to the agent staff. Tornio is a 1985 graduate of Turtle Lake High School and received his Bachelor of Art degree at UW-Eau Claire.

On Saturday, April 24th, Cumberland’s Pack Cub Scouts collected a ton of food. Over 2,200 pounds of donated food were collected for the food pantry after the

scouts and their parents dropped off bags at homes for donations.

30 Years Ago April 27, 1994

Brent Marek, son of Steve and Cindy Marek, earned an honorable mention for his essay, “A Gold Medal Should be Awarded For...” The contest was part of a weekly news program “What’s In he News” which the fourth graders watch every week. Brent’s essay was chosen from 1,558 essays.

40 Years Ago April 25, 1984

The Cumberland Fire Department was called to two grass fires last week. The first occurred Wednesday morning near County Line Road, east of Barronett and the second was two miles west of town on County Highway G on Friday. Neither fire was major and no one was injured. Fire Chief Bob Mack reminds everyone to take care of burning at this time of year when things are dry.

The State Forensics Tournament Competitors from Cumberland High School and their results are Shannon Lane “A” rating, Jennifer Jacobson “B” rating, Michelle Christensen, “B” rating, Eric Gislason “A” rating, Korri Wistracill “B” rat-

ing, and John Schwanke “B”rating.

50 Years Ago April 25, 1974

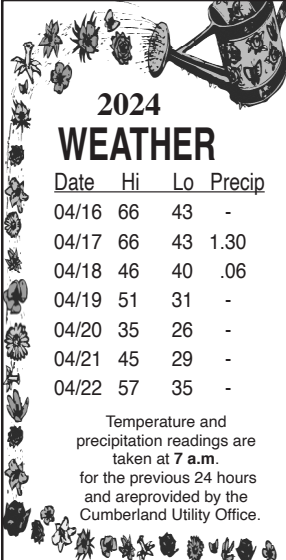

Shaun Odil, son of Mr. and Mrs. Dan Odil, received the coveted Eagle Rank at the Court of Honor held by Boy Scout Troop 24 on Monday night. Other awards presented were Star Rank to Larry Boehm, First Class Rank to John Ellis, and Second Class Rank to Bobbie Boehm and Tom Peichel. Merit Badges were also awarded to Craig Anderson, Larry Boehm, Robert Boehm, J.B. Ellis, David Miller, John Muench and Tom Peichel.

60 Years Ago April 30, 1964

The City of Cumberland has agreed to purchase about two acres of land between the north side of the old cemetery and Highway 48 at a price of \$2,500. The property will be cleaned up and leveled and will be used for future cemetery expansion.

80 Years Ago April 27, 1944

Dr. Geo Babcock was elected President of the City Council at the organization meeting last week. He succeeds Herbert Ewald at the post. Babcock was elected by a unanimous vote.

Barron County Skywarn “Storm Spotter” Training

The Barron County Sheriff’s Department has partnered with the National Weather Service to host a no-cost SKYWARN “Storm Spotter” Training for residents and emergency responders of Barron County.

WHEN:
Tuesday, April 30th from 2:00PM to 4:00PM (and)
Tuesday, April 30th from 6:00PM to 8:00PM.

WHERE
Barron County Government Center, Main Auditorium, 335 E. Monroe Ave, Barron.

WHAT IS SKYWARN
SKYWARN is a National Weather Service program designed to obtain critical information during times of severe weather. Skywarn volunteers receive training

in storm identification and evolution, and when severe weather threatens, they become “storm spotters”, reporting information to the local NWS office.

Storm spotters are the nation’s first line of defense against severe weather, and they know that their efforts may ultimately help to save lives. Their information, when combined with sophisticated technology such as Doppler radar, satellite and lightning displays, helps NWS meteorologists in their primary mission... the issuance of warnings and advisories for the protection of life and property. Training is conducted by a National Weather Service Warning Coordination Meteorologist

WHO SHOULD ATTEND
Anyone with an interest in severe weather. Volunteers include police and fire personnel, dispatchers, EMS workers, public utility workers HAM radio operators, and concerned private citizens. Individuals affiliated with hospitals, schools, churches, nursing homes or who have a responsibility for protecting others are also encouraged to become a severe weather spotter.

HOW TO REGISTER
To register for either class, click this link. You can select your preferred class start time (2:00PM or 6:00PM) when selecting your tickets. <https://StormSpotter2024.eventbrite.com>

Northwoods Notebook: A town rich in coffee shops

By Larry Werner

There are so many things I like about this little town — its natural beauty, its love of the arts, good restaurants, the friendly people. Since we moved here 10 years ago, we’ve come to appreciate the amenities that make Cumberland more than just a place to live.

Two of my favorite amenities are called Roots and Peter & Annie’s.

I love good coffee and, for many years here and elsewhere, have started my days by stopping in at a coffee shop for a latte. When I was working, I got my drink from a neighborhood barista for the commute to the office. Once retired, I’d take a morning walk that ended at the coffee shop. That ritual continued after I bought a home on Beaver Dam Lake, just 15 minutes or so from the original Peter & Annie’s, which was owned by Vickie Komarek.

One day, when I got to the coffee shop, Vickie gave me the bad news that her building was for sale, and she’d be closing the place, or moving to a new location. Fortunately, the city bought the old Kwik Trip building at the four corners, rented it to Vickie, and the shop moved to the busiest intersection in town.

Vickie and her husband, Steve, decided to retire, and were able to sell Peter & Annie’s to Ryan Stan-

daert, owner of Pendelton Pawn and other businesses. In addition to stocking the store with gifts, clothing, ice cream and candy, and operating a kitchen that serves breakfast and lunch, the new owner built a stage and hires bands to play live music every Saturday from 11 a.m. to 2 p.m.

A few years ago, a young couple named Sam and Janee Heer bought the old Idlewild Outfitters building and opened Roots Coffee Co. I remember asking the Heers if they thought a town of 2,000 could support two coffee shops. “Spooner has three,” Janee said, pointing out that the two local shops are different, with P&A offering meals, and Roots concentrating on coffee drinks and the best scones you’ll ever taste.

Sam and Janee bought and demolished a ramshackle building next door and are building a little picnic area in that spot. There’ll be tables where you can drink your coffee and eat your scones and some playground equipment for the kiddos.

I have told our local coffee-shop owners and the owners of shops in places where I lived in the Cities that they were not just building businesses; they were building community. At the bustling coffee shop at the four corners

or the quieter shop on the other end of downtown, our neighbors gather to chat in small groups and large.

Students camp out at the coffee shops to do their schoolwork on laptops, and business people use these two places as offices. These folks need wifi. It’s free and strong as the dark roast at Cumberland’s two coffee hangouts.

Over the years, I have conducted many interviews over coffee at the shops. In fact, Vickie Komarek used to refer to one of the tables at the old Peter & Annie’s as “Larry’s office.” For many years, P&A has been the box office for ETC, where you can pick up tickets for plays. Soon, tickets will be available there for the upcoming performances of “Beauty & the Beast.”

So many things to love about Cumberland, not the least of which is we have not one, but two, places where you can get a strong cup of coffee, good conversation and free wifi.

When I’m in the Cities, I stop in at my old neighborhood coffee shop in Minneapolis. The owner always thanks me for coming in. And I always thank him for being there.

Thank you, Heers and Standaerts, for being there for us in Cumberland.

Emergency Food and Shelter Program...

County Local Board for the Emergency Food and Shelter Program will be held on Friday, May 10, 2024, at 9:30 a.m. in the Veteran's Auditorium of the Barron County Government Center, 335 East Monroe Avenue, Barron, Wisconsin. The purpose of the meeting is to determine how these funds are to be distributed among the emergency food and shelter programs run by local service agencies in the county.

Under the terms of the grant from the National Board, local agencies chosen to receive funds must: 1) be private volun-

tary non-profits or units of government, 2) be eligible to receive Federal funds (including a Unique Entity Identifier (UEI) number), 3) have an accounting system, 4) practice nondiscrimination, 5) have demonstrated the capability to deliver emergency food and/or shelter programs, and 6) if they are a private voluntary organization, have a voluntary board. Qualifying agencies (including Barron County food pantries, local governmental or private voluntary organizations) wishing to apply for funding must attend this meeting.

Please contact Local Board Chair Jennifer Jako or Caryn Becker at 715-537-6225 if you have questions or to request an Application for Funding to be submitted at the meeting.

School Board Meeting...

Dr. Rose discussed an upcoming credit rating meeting saying the District has, "A good story to tell." He discussed the many things going on as the District "Dots their I's and crosses their t's to make sure everything is done well with the financial piece of the referendum." Briefly referencing the consultants discussed earlier in the meeting, Dr. Rose added, "The financial piece is our top priority, as you want to make sure everything is done correctly with the taxpayer's money."

Preparation for the new building has recently included groundwork meetings, a tour of three buildings in Minnesota and Wisconsin, and a Core Planning Meeting, with another one scheduled for this week.

The District Reports ended with the Principal Reports. High School Principal Dan Hopkins discussed

the recently completed Senior speeches, the completion of the ACT test for juniors, and this week's Prom preparation. Middle School Principal Colin Green discussed the many activities going on in his building and the May 9 Community Service Day, while Elementary Principal Abraham Ferguson updated the Board recent on his building's State Testing and upcoming field trips.

Superintendent Dr. Barry Rose concluded the night by congratulating the recently reelected Board members and thanking them for their service to the District. He also summed up a successful Educational Foundation Banquet, while recognizing and thanking community members for their involvement. With the business of the night completed, the Board adjourned their meeting with their next meeting scheduled for May 21.
