PUBLIC NOTICE
 COMBINED NOTICE OF FINDINGS OF NO SIGNIFICANT IMPACT ON THE ENVIRONMENT AND NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS
 City of Cumberland

Date of Posting: April 16, 2025
TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

The above named UGLG has prepared an Environmental Assessment (EA) for the following project. The EA is on file at the address below and is available for public examination and copying.

Project Title: Mill Hill Infrastructure Improvements and Highway 63 Boring
Purpose: The purpose of the project is to replace undersized water mains, aged sanitary sewer, and redirect and replace storm sewer, along with the boring of a water main under Highway 63.

Location: City of Cumberland, Barron County, Wisconsin
Estimated Cost: \$3,474,342.00
 The UGLG has determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and, accordingly, the UGLG has decided not to prepare an Environmental Impact Statement (EIS) under the National Environmental Policy Act of 1969 (PL 91-190).

The reason for such decision is: The project consists of a community-wide benefit project that includes improvements to the existing water mains, sanitary sewer system, storm sewer system, and the boring of a water main under Highway 63, to address low water flow issues, water main breaks, aged sanitary sewer, sanitary sewer back-ups and redirect storm sewers to an existing stormwater pond for treatment prior to discharge to Beaver Dam Lake.

All agencies, groups or individuals disagreeing with this decision are invited to submit written comments to the address below. Such written comments should be received on or before May 1, 2025. All such comments will be considered, and the UGLG will not request the release of funds or begin the project prior to such date.

On or about May 1, 2025, the UGLG will request the Division of Energy, Housing and Community Resources (DEHCR) to release Community Development Block Grant (CDBG) funds under Title 1 of the Housing and Community Development Act of 1974 (PL 93-383) as amended for this project.

The UGLG is certifying to the DEHCR that it and its chief executive officer, in their official capacity as Mayor, consent to accept the jurisdiction of the federal courts if an action is brought to enforce environmental review responsibilities, decision-making, and action; and that these responsibilities have been satisfied. Upon certification, the UGLG may use the CDBG funds, and DEHCR will have satisfied its responsibilities under the National Environmental Policy Act of 1969. DEHCR will accept an objection to the release of funds and certification only if (a) the certification was not executed by the chief executive officer or other officer of the UGLG approved by DEHCR; or (b) the UGLG's EA indicates omissions of a required decision, finding, or step. Objections must be prepared and submitted in accordance with 24 CFR 58, and may be addressed to the Division of Energy, Housing and Community Resources, Attention: Environmental Desk, P.O. Box 7970, Madison, WI 53708-7970 or DOAEnvironmentalDesk@Wisconsin.gov.

Objections for reasons other than those stated above will not be considered by DEHCR. No objections received after May 1, 2025 will be considered by DEHCR.
